High School Registration Form 2016-2017 --- CTE Courses -Rising Grades 11-12

Porter Ridge High School

In an effort to offer students equitable educational opportunities, UCPS has created a standardized registration form. Please refer to the Program of Studies for course descriptions, grade level and prerequisite requirements. The Program of Studies is available through the guidance department and online at www.ucps.k12.nc.us in the Secondary Education website under High School Handbooks. Every effort will be made to offer the courses selected by each student. If there is a course conflict or low student enrollment, the alternate choices will be used.
