Summer reading is an integral and required part of Advanced Placement English. Students enrolled in the course will read several novels from different genres, cultures, and literary periods. Your summer reading assignments are *Incidents in the Life of a Slave Girl* by Harriet Jacobs and *The Life and Adventures of Henry Bibb An American Slave* by Henry Bibb. You are required to keep a reader response journal. After reading each chapter, you are expected to write a one page reflection of your understanding, response, and critical analysis of the chapter. This is required for both novels. It is highly expected that you purchase your own copy of the novel so that you can write and highlight important passages. Please email me if you have any questions about the assignment criteria.
