We recommend that you communicate with your child's teachers and/or guidance counselor when selecting course for the 2020-2021 school year. Consider the courses that will provide your child a challenging and successful educational experience.

We have carefully considered the above course selections and understand that all courses we have chosen require a year commitment. We understand that dropping a course after the 10th class meeting will result in a grade of "F" for the year in the dropped course.
