

Student Apple ID Creation (8th grade and up/students 13 and older)

An Apple ID is how you use Apple products. It allows you to download apps, music, etc. You must create an Apple ID in order to use a Shakopee-issued MacBook Air or iPad using your @shakopeeschools.org email address. Go to appleid.apple.com to begin.

My Apple ID

What's an Apple ID?

An Apple ID is your user name for everything you do with Apple: Shop the iTunes Store, enable iCloud on all your devices, buy from the Apple Online Store, make a reservation at an Apple Retail Store, access the Apple Support website, and more.

[Learn more about Apple ID](#)

Manage your Apple ID

Change preferences, edit privacy settings, and keep your details current.

[Reset your password](#)

Create an Apple ID

Signing up is quick, easy, and gives you access to all things Apple.

[Find your Apple ID](#)

Click on the button that reads “Create an Apple ID.” From there you will be taken to the screen below. Add the student’s first and last name. The Apple ID MUST be their school ID# @shakopeeschools.org. For example, if the student’s ID # is 123456, their email address is 123456@shakopeeschools.org. Create a password that is not too long and easy enough to remember.

Preferred Language
Preferred Language

Scrolling down the page, you can select your preferred language, whether you would like email announcements from Apple, and then type in the special characters at the bottom of the page to

create the Apple ID. Once this process has been completed, an email will be sent to the student's email account to confirm their account. Once it has been confirmed using their email account, the Apple ID is ready for use.
