Visitors to our School

We welcome visitors and volunteers to our school. Our students benefit by seeing adults in our school who value education. We do require classroom visits during the school day be prearranged with the teachers to provide for the best experience for our students, staff and visitors and volunteers. All school visitors will be given a visitor or volunteer sticker when signing in. This sticker needs to be worn in a visible place during your visit. Keeping students safe is so important to us! Thank you for helping us to keep our students safe when you are here.
