

Career Exploration Programs (For Grades 10-12)

YCAL establishes relationships with businesses to provide our High School students with opportunities to explore different careers at no cost to the student. Participation in these programs increases students' understanding of the unique training, education, and work standards required to successfully pursue a given career path.

Students interested in attending any of the programs listed below should see their High School's Career/Guidance Counselor for more information. Application deadlines are typically two weeks prior to the start of the event. Please note that additional programs may be added throughout the school year.
