GREENVILLE COUNTY SCHOOLS STUDENT ASSIGNMENT PROPOSAL

New Fountain Inn High Hillcrest High Mauldin High

Greenville County Schools

Student Assignment

New Fountain Inn High, Hillcrest High and Mauldin High Schools

September 3, 2019

Greenville County Schools (GCS) continues to experience student population growth in the Golden Strip area of the district. GCS has planned for this growth with the goal of decreasing the student population at our two largest high schools, Hillcrest High and Mauldin High Schools, and space for continued growth. Both schools populations are significantly over 2,000 students. Projections are that the Golden Strip area will continue to increase in population.

Greenville County Schools is constructing the new Fountain Inn High School located at 600 Quillen Avenue, Fountain Inn, SC 29644 to open in August 2021. This construction project was planned to shift student populations among the three schools, Hillcrest High, Mauldin High and the new Fountain Inn High School. School Board Policy AD governs student assignment. You can find out more about the new Fountain Inn High School by visiting the school's website: Fountain Inn High School

Included with this document:

Current school attendance area maps with outlined changes in student assignment shown on the map.

Data sheets for the new Fountain Inn High School, Hillcrest High and Mauldin High Schools.

Students currently attending Hillcrest or Mauldin High Schools will not be impacted. The proposal is to open the new Fountain Inn High School with 9th grade in 2021-22, adding a grade each year, with all four grades, 9th through 12th, attending in the 2024-25 school year. Students currently in 7th grade for the 2019-20 school year will be 9th grade students the year Fountain Inn High opens. The same will apply to students assigned to Hillcrest High from Mauldin High.

Families of students that have another student at Hillcrest or Mauldin High School will have the option of their rising 9th grade student for the 2021-22 school attending with their older sibling.

The Special Education Department will continue to assign self-contained special education students to schools equipped to provide for their specific disability.

You can determine the geocode you reside in by going to the <u>district website</u>, clicking on the left on Quicklinks and clicking on "Find Your School" and entering your address.

Input and/or questions may be submitted in several ways:

- 1. E-mail to planning@greenville.k12.sc.us
- 2. Writing to: Greenville County Schools, Planning and Demographics Department, 2 Space Drive, Taylors, SC 29687
- 3. Parents may attend one of the meetings for those assigned to the new Fountain Inn High as follows:
 - Monday, September 9, 2019 @ 4:00 p.m. Fountain Inn Elementary, 608 Fairview St, Fountain Inn, SC 29644
 - Tuesday, September 10, 2019 @ 6:30 p.m. Fountain Inn Elementary, 608 Fairview St, Fountain Inn, SC 29644

- Tuesday, September 17, 2019 @ 6:30 p.m. Rudolph Gordon School, 1507 Scuffletown Road, Simpsonville, SC 29681
- 4. Parents may attend a meeting for <u>those assigned to Hillcrest High School from Mauldin High</u> School as follows:
 - Thursday, September 12, 2019 @ 6:30 p.m. at Hillcrest Middle School, 510 Garrison Road, Simpsonville, SC 29681
- 5. View the maps at the Planning and Demographics Department, 2 Space Drive, Taylors, SC 29687 as follows:

For <u>parents of students assigned to the new Fountain Inn High School</u>: Friday, September 13, 2019 from 9:00 a.m. until 11:00 a.m.

For parents of students assigned to Hillcrest High from Mauldin High: Wednesday, September 18 from 9:00 a.m. until 11:00 a.m.

For input to be considered it must be received by 5:00 p.m. on Thursday, September 19, 2019

The District administration will review all sources of input, make adjustments as deemed appropriate, and present a recommendation to the Board of Trustees at their regularly scheduled meeting in October 2019.

- (1) Capacity is based on the Program Capacity from the Long Range Facilities Plan
- (2) Math is based on those taking Algebra test

Note: Geocode numbers represent actual students residing in the geocodes (with choice out) and are used in planning as Fountain Inn High School's population plan includes reassignment from Hillcrest and Mauldin High schools.

Actual student enrollment at schools is different based on yearly decisions of parents to participate in the district's limited school choice programs and special education placements.

2018-19 actual 15th day student enrollments:

Hillcrest: 2190Mauldin: 2345

Student Assignment

GLOSSARY OF TERMS

School District

All of Greenville County Schools.

School Attendance Area

All of the geocodes that make up an individual schools' assignment boundary.

Strategic Plan

The Board's priorities for performance.

Geocode

A geographic area used to manage school assignment at the elementary, middle and high school level. Geocode numbers reflect actual numbers recorded in the district's database.

LRFP

Long Range Facilities Plan (https://www.greenville.k12.sc.us/Departments/docs/planning/cip1903.pdf)

Factors

Board Policy AD(P) lists the eleven factors to be considered.

FARMS

The Free and Reduced Meals Program is available to students that apply and meet the requirement to receive meals in school at no charge or at a reduced charge.

Homebase

School a student is assigned based on the student's resident address.

Test Data

South Carolina and federal laws require end-of-the-year accountability tests for grades 3-8 that are based on state academic standards. South Carolina Palmetto Assessment of State Standards (SCPASS) results in Science in select grades include four scoring levels: Does Not Meet Expectations, Approaches Expectations, Meets Expectations, and Exceeds Expectations. SCPASS results in Social Studies in select grades include five scoring levels: Not Met 1, Not Met 2, Met, Exemplary 4, and Exemplary 5. SC READY results in English language arts and mathematics in grades 3-8 include four scoring levels: Does Not Meet Expectations, Approaches Expectations, Meets Expectations, and Exceeds Expectations. High school End-of-Course-Examination Program includes four subject areas (English 1, Algebra 1, Biology 1, and U.S. History and the Constitution) and five scoring levels: A, B, C, D, and F.

Rising

The grade a student will be in for the upcoming school year. A current 4th grader is a rising 5th grader.

Change in Assignment School Choice (CIA)

Students may request to attend a school other than their assigned home-based school and be placed in the CIA lottery. Next year's CIA School Choice lottery window is Monday, November 18, 2019 through Wednesday, December 4, 2019. Space must be available at requested school.

Magnet Choice

Magnet Schools that offer a program seeking to attract students (whether the student resides in the school's attendance area or not) with specialized academic disciplines. Applications are scored and students qualifying are ranked in a lottery. Space must be available at requested school.

Island

A geocode that is not contiguous (not connected) to a school's main attendance area.

Feeder Pattern

The flow of school assignment from elementary to middle to high school.

15th Day Enrollment

The number of actual students enrolled at an individual school on the 15th day of school.

Core Capacity

The Media Center, Cafeteria, Toilet Facilities, and circulation space of an educational plant.

Program Capacity (PC)

The maximum number of students that a school may serve (excluding portables) depending on offered programs for that particular school as computed based on current teacher staffing ratios.

Expansion

An existing school that receives construction updates to increase its capacity.

Portable

A free-standing classroom used to serve the students at an overcrowded school.

Lots to go (LTG)

Based on subdivision notifications since 1995, the current number of lots still to be built out.
