Although Provider does not have a duty to monitor Customer or its Users' transmissions, it shall not be prohibited from so monitoring.

## 3. AGREEMENT TERM AND TERMINATION

This agreement shall be for the period beginning **7/1/2021** to **6/30/2026** ("Term"). In the event that the Customer wishes to terminate the Service prior to the contract period end date, then Customer agrees to be responsible for the following charges:

- (a) The contracted annual amount in full for the balance of the current fiscal year (July 1 – June 30), less the amount already paid by Customer for such fiscal year.
- (b) Fifty percent (50%) for all remaining months and years of this Agreement.

## 4. CHARGES AND PAYMENTS

Customer agrees to be solely responsible to Provider for all charges billed by Provider for Services provided to Customer under this Agreement, regardless of whether: (1) Customer fails to appropriate sufficient funds; or (2) E-rate funding is approved and/or received. Charges for the Services provided under this Agreement will be billed to Customer on a semi-annual basis.

Payment of all invoices for Services provided by Provider under this Agreement shall be due and payable within thirty (30) days of the mailing date on the Customer's invoice. Provider may, at its sole discretion, terminate or suspend the Services to any Customer whose payments are in arrears by more than sixty (60) days. Such suspension shall not be deemed a waiver of other legal or equitable rights the Provider may have for enforcement of payment. If the Provider suspends Services to Customer pursuant to this Section 4, Provider reserves the right to charge Customer a reconnection fee to cover the administrative cost of reconnection. The reconnection charge shall be in addition to any other amounts owed to Provider by Customer.

## 5. LEVEL OF SERVICE

Provider will provide the Service as specified in Schedule 1 for an Uptime of 24-hour-per-day, 7-day-per-week less the period during which the Service is not available due to one or more of the following events (collectively, "Excusable Downtime" which is specifically excluded from any Uptime calculation):

- (a) Scheduled or routine testing or maintenance of the Service or any portion thereof;

- (b) The acts or omissions of Customer or Customer's employees, agents, contractors, vendors any other party gaining access to the Service by reason, directly or indirectly, of any act or omission by Customer;
- (c) A failure of the Internet and/or telecommunications networks;
- (d) Any actions taken by Provider believed to be reasonably necessary to preserve data of Customer or other Provider customer;
- (e) The occurrence of any event that is beyond Provider's reasonable control;
- (f) At Customer's direction, Provider restricting access to the Services;
- (g) A failure of Customer's data or systems to integrate with the Services.

If Provider fails to satisfy the Uptime Commitment stated above during a given year, then the Annual Charges for the following year shall be correspondingly reduced by the percentage of time that the Uptime commitment was not met for such preceding year, but under no circumstances shall such credit ever exceed the amount of annual fees otherwise then due. The forgoing credit shall be Customer's sole and exclusive remedy for Provider's failure to comply with its Uptime Commitment.

## 6. MAINTENANCE

Provider shall be responsible for the maintenance of the Provider Network and Service Equipment. Provider and its agents shall have the right at any time during normal business hours to enter Customer's premises (and complying with Customer's visitors policy) for the purpose of inspecting the Service Equipment or testing Services and shall be given free access thereto and afforded necessary facilities for the purpose of inspecting and testing the Services and Service Equipment. Provider shall have the right to charge the Customer for its costs and expenses to identify or correct any failure caused by facilities and equipment not furnished by Provider or to repair damage or interruptions caused by the Customer or Customer's equipment.

## 7. TITLE AND OWNERSHIP

Title to the Service Equipment shall irrevocably and under all circumstances remain with Provider or its designee, and the Customer will protect Provider's rights, title and interest therein against all persons. The Customer's interest in the Services and Service Equipment is limited to possession and use thereof on the premises. At any time, Provider may affix to the Service Equipment, dry labels or other markings supplied by Provider identifying the Service Equipment as owned by Provider. Provider may cause this Agreement or any financing statement showing Provider's interest in the Services and Service Equipment to be filed and recorded to perfect its interest herein.

## 8. STANDARD OF SERVICE

Provider reserves the right to modify, change, add to or replace the the Service Equipment or any apparatus comprised therein. Any such modification, change, addition or replacement shall be carried out at Provider's own expense and Provider shall ensure it does not materially detract from, reduce or impair the overall performance or operation of Services, or require any material alteration to the protocol used by the Customer in using Services.

Provider further reserves the right to discontinue Customer's access to the Provider's Service and/or seek other legal or equitable relief for use of the Services that Provider deems to be in violation of the rules and regulations of the Ohio State Board of Education or any other state or federal agency; or in violation of this Agreement; or state or federal law; or are uncivil. For purposes of this Agreement, uncivil conduct includes, but is not limited to: 1) transmitting offensive or harassing statements; 2) developing and/or transmitting offensive or unlawful graphics; 3) transmitting sexual or ethnic slurs explicitly or as part of a joke; 4) soliciting or encouraging others to engage in sexual, offensive or unlawful acts; or 5) permitting or encouraging unauthorized access to the Provider's network and public networks including unauthorized access to the Internet.

## 9. HAZARDOUS SUBSTANCES

Customer certifies that it is not aware of the presence of any asbestos or other hazardous substance (as defined by any applicable state, federal, local hazardous waste or environmental law or regulation) at any site where Provider is to perform services under this Agreement. If during such performance Provider employees or agents encounter any such substance, Customer agrees to take all necessary steps, at its own expense, to remove or contain the asbestos or other hazardous substance and to test the premise to ensure that exposure does not exceed the lowest exposure limit for the protection of the workers. Provider may suspend performance under this Agreement until the removal or containment has been completed and approved by the appropriate governmental agency and Provider. Performance obligations under this Agreement shall be extended for the delay caused by said clean up or removal. Customer's failure to remove or contain the hazardous substance shall entitle Provider to terminate this Agreement without further liability. If Provider so terminates, Customer shall reimburse Provider for expenses incurred in performing this Agreement until termination.

## 10. FORCE MAJEURE

Neither party shall be liable to the other for any loss or damage which may be suffered by the other party, or for any failure to perform its obligations under the Agreement to the extent that such damage or failure is due to any cause beyond the first party's reasonable control including without limitation any act of God, inclement weather, failure or shortage of power supplies, flood, drought, lightning or fire, strike, lock-out, trade dispute or labor disturbance, the act or omission of Government, highway authorities, public telecommunications operators or other competent authority, war, military operations, or riot, difficulty, delay or

failure in manufacture, production or supply by third parties of the Service Equipment or any part thereof.

## 11. LIMITATION OF LIABILITY

The following provisions define Provider's entire liability (including any liability for the acts or omissions of its employees, agents, and subcontractors; subsequently referred to as the "Event of Default") with respect to claims arising in any way out of the provision of or failure to provide the Service set out in this Agreement; with respect to any breach of its contractual obligations arising under the Agreement; and any representations, statements, or tortious act or omission including negligence or gross negligence arising under or in connection with this Agreement. Provider shall not be liable, in respect of or arising out of an Event of Default or the performance, non-performance, or breach of its obligations under this Agreement, for any indirect, incidental, special or consequential damages, including loss of profits, goodwill, revenue, data, or use, incurred by Customer or by any third party whether in an action in contract or tort, even if such damages were foreseeable or Provider had been advised of the possibility of such damages. Provider, from time to time, will be requested to provide consultation related to service described within this Agreement. Provider will use reasonable efforts in this regard. Customer acknowledges and agrees that the limitation of liability shall apply to such consultation. Without derogating from the other provisions of this section and this Agreement, Provider's liability for damages for breach of this Agreement shall in no event exceed the amounts received by Provider under this agreement.

Customer understands and agrees that Provider shall have no responsibility for the accessing or transmitting of offensive or unlawful information by Customer or Customer's users, interference or unlawful access to others' information or networks, or other offensive or unlawful activity in which Provider's Service is used.

To the extent that Customer, either directly or through its agents, permits student access to the interconnected computer system(s) of the Internet through Provider's Services, Customer assumes full responsibility and agrees to hold Provider harmless for any and all access to and usage of information contained on the interconnected computer system(s) of the Internet.

## 12. WARRANTIES

Customer may only utilize the Services for educational activities and educational administrative related activities on its premises. Customer acknowledges that the Service may be through a shared Internet network to the extent permitted by law. Where the Services provided include access to the Internet, Provider does not warrant that the functions of the Internet will meet any specific Customer or user requirements, or that Services provided will be error-free or uninterrupted; nor shall Provider be liable for any actual damages or any indirect, incidental, special or consequential damages (including as a result of loss of data or misinformation) sustained in connection with the use, operation, or inability to use the Provider Services by Customer or its users. Customer understands and agrees that Provider will exercise no control over the information that Customer and users may transmit and

access as a result of the provision of Services by Provider, other than security measures included in the standard configuration of Provider's Internet Access Service. Customer therefore will make no claim against Provider regarding the use of the Service, including transmission, downloading or uploading of information that is offensive, a violation of the law, or the actionable violation of others' rights. Customer is hereby under notice that some material contained in the Internet may be inappropriate for school aged pupils. Provider does not warrant the accuracy or appropriateness of any information contained in the interconnected systems.
