

# Advanced Ceramics Rubric

Mr. Martin

Name\_\_\_\_\_

Assignment: 2D to 3D

What is one thing you learned through the process of making this piece? Please explain your answer.

---

---

---

---

Please elaborate on your piece. Why did you choose this piece of 2D art to transform? Were you successful in transforming it from 2D to 3D? Please be descriptive in your responses.

---

---

---

---

---

---

---

If you could change one thing about your 3D work what would it be and why.

---

---

---

---

Please draw a thumbnail sketch of your 3D work below.
