

Welcome To Second Grade

2023

WELCOME TO THE FAMILY!

Dear 2nd Grader,
Welcome to 2nd grade! I am Ms. G and I am so excited to welcome you to our 2nd grade family. This Summer I have been adventuring all around New Hampshire and Maine with my new puppy Boone. I have been boating on lakes and oceans, camping in hammocks, tents and cabins, swimming in deep waterfall holes and hiking lots of mountains! I can't wait to hear about all the fun you have had this Summer when I see you in the fall.

I am so excited to get to know you this year. We will explore 2nd grade together by being scientists, mathematicians, artists, explorers, historians, authors, book critics and so much more!

I am looking forward to spending the year learning and growing with you! We will have a meet the teacher event before school starts for you to come and see your classroom before the start of the year. Please bring all of your supplies on the supply list to the open house!

Until then, if you have any questions please do not hesitate to reach out to me!

Love,
Ms. G
