

Dear 2nd Grade Families,

We are excited that our school has “Flexible Learning Days” in the event that school needs to be cancelled. When this happens (inclement weather or another emergency), student learning will continue at home. Our school calendar allows five flexible learning days per school year. If we exceed five cancelled days, additional days will be added to the end of the school year.

On Day One, students will be given all the materials needed for each of the five flexible learning days. There will be FIVE packets in one baggie- one packet for each flexible learning day. Please begin with the packet labeled “Flexible Learning Day 1” on the first flexible learning day and so on. This baggie needs to be put in a safe place at home where it can be easily accessed on a flexible learning day. Students are expected to follow the directions on the front of the packet and return the packet within two days after the cancelled day.

It is important to know that if the packet is not returned in the allotted time, your child will be marked as “absent unexcused” for that school day. Returning this work is very important and counts as their attendance for that day. You can also access this card on the elementary school website (nrheg.k12.mn.us). Teachers will be available on the cancelled day to answer questions via email from 10 a.m.- 3 p.m.

Sincerely,
2nd Grade Teachers
