

2nd grade Curriculum Calendar 2021-2022

	Benchmark Dates	OK Academic Standards
1st 9 wks.	Aug. 16-20 Place Value Foundations Aug. 23-27 Place Value Foundations August 30-Sept.17 Place Value to 1,000 September 20-22 Place Value Review #1 September 23, 2021 (place value foundations, place value to 1,000)	#1 2.N.1.1 whole numbers to 1,000 2.N.1.2 number line to 100 2.N.1.3 describe whole numbers between 10 and 1,000 2.N.1.4 10 more 10 less, 100 more, 100 less
2nd 9 wks.	September 27-October 1 Rounding October 4-8 Compare, Order, and Round numbers to 1,000 October 11-13 Review rounding, comparing and ordering numbers October 18-21 number patterns #2 October 22, 2021 (rounding, number patterns, comparing and ordering numbers to 1,000) October 25-Nov. 11 Time and Data #3 November 12, 2021 Nov. 29-Dec. 14 two digit addition #4 December 15, 2021 (two digit addition)	#2 2.N.1.5 rounding to nearest 10 and 100 2.N.1.6 place value compare and order numbers 2.A.1.1 number patterns 2.A.1.2 shape patterns #3 2.GM.3.1 time to the quarter hour 2.D.1.1 bar graphs 2.D.1.2 pictographs and bar graphs 2.D.1.3 one step word problems in graphs 2.D.1.4 draw conclusions/predictions in graphs #4 2.N.2.1 addition and subtraction 2.N.2.2 math fact fluency add. and sub. 2.A.2.3 commutative/identity property 2.N.2.4 strategies for 2 digit add. and sub. 2.N.2.5 real world problems add. and sub.
3rd 9 wks.	January 4-20 Subtraction with regrouping #5 January 21, 2022 (subtraction with regrouping) January 24-February 3 Algebra #6 February 4, 2022 (Algebra) February 7-24 Money and Multiplication #7 February 25, 2022 (Money and Multiplication) February 28-March 9 Shapes and Angles #8 March 10, 2022 (Shapes and Angles)	#5 2.N.2.3 estimate sums/differences 2.N.2.4 strategies for 2 digit add. and sub. 2.N.2.5 real world problems add. and sub. #6 2.N.2.4 strategies for 2 digit add. and sub. 2.N.2.5 real world problems add. and sub. 2.A.2.1 number lines for number sentences 2.A.2.2 real world number sentences 2.A.2.3 commutative/identity property #7 2.N.2.6 models for multiplication 2.N.4.1 value of collection of coins 2.N.4.2 combination of coins to one dollar #8 2.GM.1.1 trapezoids and hexagons 2.GM.1.2 identify 2D shapes by attributes 2.GM.1.3 compose 2D shapes 2.GM.1.4 recognize right angles
4th 9 wks.	March 21-31 Fractions #9 April 1, 2022 (Fractions) April 4-21 Measurement and Capacity #10 April 22, 2022 (Measurement and Capacity) April 25-May 19 th REVIEW	#9 2.N.3.1 parts of a fraction 2.N.3.2 construct equal parts of a whole #10 2.GM.2.1 measurement 2.GM.2.2 using a ruler 2.GM.2.3 capacity
