

# 2nd Grade Science and Social Studies

## At Home Learning - May 2020

### Choice Board

**Directions:** Choose one activity from this chart this week and one next week for both Social Studies and Science. You may upload the completed activities on Mrs. Conner's Reading Class in the google classroom or handwrite them to be turned in at a later time. Use the checklist to help you keep track of what activities you choose.

**Parents:** Please enjoy these activities with your child and signoff on the checklist.

### Science - Choose one per week.

<p style="text-align: center;"><b>Science - 1</b> <b><u>WE LOVE MYSTERY DOUG!</u></b></p> <p>Go to the this link: <a href="https://mysteryscience.com/school-closure-planning">https://mysteryscience.com/school-closure-planning</a></p> <p>It lists the 10-12 easiest lessons to do at home for each grade. No account or log-in needed.</p> <p>Once there, choose a video and complete a lesson that Mystery Doug has for 2nd graders.</p> <p style="text-align: center;">Do as many of these as you can!</p>	<p style="text-align: center;"><b>Science - 2</b> <b><u>Experiment with Water!</u></b></p> <p>Fill up a sink or a bucket with water. Gather items to put in the water. Ask yourself what will sink or float and try it out. Was your prediction right? Make a chart like this to keep track. Keep going until you have 10 items on your chart.</p> <table border="1" style="margin-left: auto; margin-right: auto;"> <tr> <th>Item</th><th>Sink/Float Prediction</th><th>Was I right?</th></tr> <tr> <td>penny</td><td>sink</td><td>yes</td></tr> <tr> <td>raisin</td><td>float</td><td>no</td></tr> </table>	Item	Sink/Float Prediction	Was I right?	penny	sink	yes	raisin	float	no	<p style="text-align: center;"><b>Science - 3</b> <b><u>Be an Animal Researcher!</u></b></p> <p>Make a list of three animals that live in each of these places:</p> <ol style="list-style-type: none"> <li>1. Ocean</li> <li>2. Desert</li> <li>3. Forest</li> <li>4. Grassland</li> <li>5. Rainforest</li> <li>6. Tundra</li> </ol> <p style="text-align: center;"><b><u>Be specific!</u></b></p> <p>For example: Instead of writing 'shark' as one of the animals on your ocean list, write 'hammerhead shark'.</p>
Item	Sink/Float Prediction	Was I right?									
penny	sink	yes									
raisin	float	no									

### Social Studies - Choose one per week.

<p style="text-align: center;"><b>Social Studies - 1</b></p> <p>A "Need" is something that we need in order to survive. A "Want" is something that we do not need to survive but would like to have. Make a list of 3 things you need and list of 3 things you want.</p>	<p style="text-align: center;"><b>Social Studies - 2</b></p> <p>A "Good" is something that people want or need. It can be held or touched. A "Service" is work that people do for consumers. Make a list of 3 good and 3 services.</p>	<p style="text-align: center;"><b>Social Studies - 3</b></p> <p>Create your own business! Will you provide a good or service? What is the name of your business? What supplies will you need to make your good or provide your service? How much will you charge? Make a list of all the supplies you will need. Really think about the steps required to make a product or offer a service and list everything you will need.</p>
