

2nd Grade Newsletter

December
2020

Rama Road Elementary 980-343-6730

Literacy

Students will complete Unit 1 of Module 2 by taking an Assessment, focusing on retelling the beginning, middle, and end of a story.

Students will learn more about what a Paleontologist does and the tools that are used. Students will write an Informative paragraph about a famous Paleontologist. We will also begin learning about the steps of fossilization

Math

Students will be working on solving one and two-step, addition and subtraction word problems. They will need to focus on what the equation is asking them to solve and use strategies to show their work.

Upcoming Events

December 8 - PTA Meeting
(7:30 am - 8:15 am)

December 9 - Early Release Day

December 22 - January 4th -
No School (Holiday) and Teacher
