

Second Grade News!

PBIS Expectations:
Be Respectful ☺ Be Responsible ☺ Be Safe

Hello Everyone!

We hope you had relaxing break with family and friends.

We have exciting news... Students now have access to an AWESOME reading resource. RAZ-Kids is a program that builds reading comprehension and fluency. Be on the lookout for a letter with your child's username and password! We encourage using this program and IXL at home to reinforce all of the hard work we are doing at school. Thank you in advance for our support and cooperation!

What are we learning?

Reading and Writing Workshop

We will begin reading "bigger books" by amping up our Reading POWER! We will be focusing on building fluency, too! In Writing Workshop, we will begin opinion writing and practicing letter writing.

Social Studies & Science

We will learn about Martin Luther King, Jr. at the beginning of January. Then, we will transition into learning about weather and how different types of weather effect us.

Shout Out to

★ Our November
Terrific Kids! ★

Mrs. Bar's Class - Kelsie

Miss Covington's Class - Neveah

Mrs. Hedgepeth's Class - Manat

Mrs. Stokes' Class - Jayla

Math Workshop

We are continuing to teach students how to solve one and two-step word problems. During the 3rd Nine Weeks, we will begin solving problems that involve regrouping! We encourage everyone to practice addition and subtraction fluency facts through 20 at home.
