

Hey 2nd Grade Parents/Guardians,

Monday, September 2nd, school will be out due to Labor Day. Tuesday, September 3rd, will be a virtual day for students. That means teachers and staff come to work for professional development, and students will stay home. I am attaching a packet for this virtual learning day. Please have your child complete this work and return to school the following day. Thanks for all you do in helping your child to excel!
