- The following guide was created for second grade and includes pacing for **reading**, **writing**, science, **social studies** and **SEL**.
- Units that are underlined have an accompanying read aloud lesson. Just click the link to be taken to the lesson.
- This is a **36-week pacing guide** split into four quarters. If your school uses trimesters, you can adjust the pacing accordingly into three 12-week blocks.
- I have allowed one week each for **Back to School**, **Holiday** and **End of the Year** activities. I also included a week for **state testing**. Adjust your pacing accordingly depending on when/if your state testing takes place.
