

# Snow day folder

Dear Parents,

Randolph County Schools will be sending home Snow Day Packets again this year. Each folder contains 5 days' worth of work, stapled together by day. When school is closed for inclement weather, the School Messenger phone calls, TV and radio stations will report that a "Snow Day Packet Number \_\_\_\_\_" must be completed. Students will complete one set of work for each day that is missed and return it to school for a grade. **This is in addition to the regularly assigned homework (reading, spelling, vocabulary and fluency) that is to be completed daily.**

On these snow days when packet completion is required, we will be available at school from 10AM-2PM if you have any questions. You can call (304) 636-9188, or email [dsanson@k12.wv.us](mailto:dsanson@k12.wv.us) or [lcross@k12.wv.us](mailto:lcross@k12.wv.us).

Thank you for your cooperation,

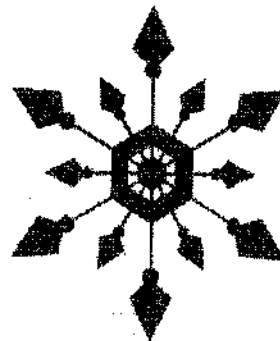

Mrs. Sanson and Mrs. Cross

# Snow Day Folder

If we are closed please complete one packet for each day. Bring your completed snow day packet back to school and you will receive a special prize! Remember this folder should only be opened if there is a snow day! Stay safe and see you after the snow storm!

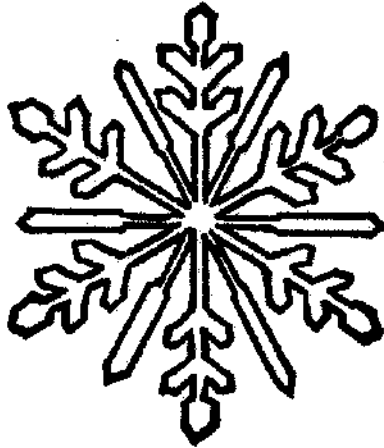

Love,

2nd Grade Team
