

# 2020 - 2021 Piedmont Science Olympiad

## **Virtual Information Meeting**

**Thursday, September 10th @ 7:30 PM**

**Zoom Meeting ID: 870 4734 1799 Passcode: 630028**

*This meeting is for students and parents alike. We will cover the following topics:*

- What is Division B Science Olympiad going to look like for 2020-2021?
- Why should I join Piedmont's teams?
- How can I be part of Piedmont's Science Olympiad?

## **Have Fun with Science!**

Participate in STEM events that include; identifying birds, fossils, microbes, and suspects in crime scenes; experiment with food science, density, and inquiry based labs, and much more! Due to COVID-19 there are various ways to play this year.

## **Show your Piedmont Pride!**

We are a National Competitive Team! Set sail with your Piedmont Pride by competing with other teams in our county, state and throughout the nation! This year's National Tournament will be held in Arizona!

## **Build Friendships and Confidence!**

Event practices, competitions, plane rides, team meals, and Fun Days bring together teammates to foster lifelong friendships. Yes, even if we practice virtually. Older students mentor younger students and all students get to make friends across grade levels.
