The Pirate Speaks

YEAR IN REVIEW
May 2010

For the past two years the Pirate Speaks has used the full size newspaper format. I would like to take the time to introduce another change to the Pirate Speaks. For the 2010-2011 school year the Pirate Speaks will be presented as a news magazine. It is both mine and the staff's hopes that the new format will appeal more to the student body and be more convenient. With that being said, we are all looking forward to the new school year and another year of documenting the events of Pearl High School.

Sincerely,

Ashley Parker, Editor

In this issue, an image of a Pirate Coin is hidden somewhere in the magazine. It may not be the same size. See if you can find it!

Congratulation
Mr. Morgigno.

Congratulations, Mr. Morgigno!

Photo and article by Ashley Parker

Current Principal Ray Morgigno looks forward to serving as Superintendent.

At the end of the 2009-2010 school year, Pearl High School's principal Raymond Morgigno will be leaving PHS to accept his new position as superintendent of the Pearl Public School District. He will be replacing current superintendent Greg Ladner who is retiring.

Morgigno has been principal at PHS since 2006 and considers himself lucky to be back home.

Prior to returning to Pearl (where Morgigno attended school for 12 years), he administrated at New Hope High School and Brandon High School and taught at Tupelo High School.

He said it has been his life goal to be an educator. From the first grade, he found interest in teaching; and by the time he was in high school, a profession in administration appealed to him the most.

After Morgigno graduated PHS, he earned an undergraduate

degree from Delta State, a Masters from Ole Miss, and is currently working on a PhD from MSU.

Morgigno claims the faculty's work ethic and the encouraging students have been very inspiring to him during his time at Pearl. He also stated how special the community is in a sense of being so supportive of the school district. However, he gave the utmost recognition to his mother. "Of course, my mother was the biggest reason to achieve things. You never wanna disappoint mamma," he said.

Although he expressed how much he will miss interacting with the students and faculty and the spirit the school has, he is excited about his promotion.

"I'm glad I have the chance to impact grades k-12 not just 9-12. I hope to have a positive impact on the entire district, and I am looking forward to bigger challenges," stated Morgigno.

New Year, New Principal

By Lenice Bullock

Among new shoes, new clothes, and a new car, there will be a new principal. Next year, Dr. Matthew Dillon will be taking the place of Mr. Morgigno, who was named Pearl Public School District's Superintendant. Dr. Dillon will be coming from South Panola High School where he is the current principal.

Dr. Dillon earned his bachelors degree at the University of Southern Mississippi. He then went on to earn his masters and doctorate degree from the University of Mississippi.

His wife, MaryAnn, also received her bachelors from the University of Mississippi. They have two children: Nathan, 2, and Peyton, eight months. Together, they are looking forward to being a part of this community and growing relationships.

At South Panola Dillon has come up with a way to maybe lessen and even prevent students from dropping out of school. Methods of communicating with parents and teachers while tracking students closely throughout their high school career, making home visits as needed for students who have an absentee problem, offering credit recovery courses and specialized tutoring have been used in the past.

"These methods... have yielded positive results while not lowering standards or rigor," said Dr. Dillon.

While at Pearl, he is looking forward to building relationships with the students and faculty. Not only that, he is also excited to be part of the rich tradition at an elite high school in Mississippi. His ultimate goal is to become a superintendant. Upon entering next school year, welcome Dr. Dillon to PHS.

DONNA MCCOMMON

PROUD PIRATE FOR 29 YEARS!

By Maria Cannon

Donna McCommon, Director of Pearl Singers, Chamber Singers, and the District Fine Arts Coordinator, has been with the Pearl choral department for 29 years. She

has been a teacher for a total of 35 years.

McCommon's favorite memory from Pearl High School is in 1989 when she took her students to Europe to sing in a competition in Vienna, Austria. The choir was one of three to perform with part of the Vienna Orchestra. Another fond memory was when the Chamber Singers were a featured choir at New York's Carnegie Hall in 2004.

The students and faculty members have impacted her the most at Pearl High School. McCommon said, "They made me feel at home." She still remembers the first choir she taught at Pearl and how amazing they did. After that, she could not think of anywhere else to be.

McCommon said being at Pearl High School has given her an extended family and she is blessed

to be here this long. "It was my life," she said. Upon graduation, she plans to enjoy her family, take up photography as a hobby, and travel to different places around the world.

McCommon said, "As I begin a new chapter of my life, I reflect on years of being a music educator. Over half my life has been spent in the halls and classrooms of Pearl High School. Pearl Singers and their parents have been my "children" and family for a long time and will always hold a special place in my heart. So many have touched my life in very special ways and it is a lasting memory no one will ever take from me. I have no doubt when I walk through the door for the last time, the tradition of Pearl Singers will continue. Thank you for giving me the opportunity to share my world of music with you."

PROUD PIRATE FOR 33 YEARS!

TOMMIE HILL

By Kerri Bradley

Pearl High School will be saying good bye to Mrs. Tommie Hill this year. Hill has been a teacher and a coach at Pearl High School for thirty-three years. Over the thirty-three years, Hill has coached softball, tennis, and cheerleading, and has taught numerous classes.

Hill graduated from Pearl in 1970 and returned to teach in 1977. She earned her degree from Mississippi State University. "I actually got this job the first day of school in 1977 when the principal called and said, 'A teacher just quit, would you like to take his place?'. That is when I first started my job here", says Hill.

Hill has won many different awards: Softball coach of the year in 1988, Outstanding Young Woman of the year in 1987 and 2005, Cheer coach of the year for Mississippi in 2010, Teacher of the month, and the All Star Tennis coach award.

Hill plans to take oodles of memories with her as she moves on after her retirement. She plans to spend

more needed time with her family, travel, and focus on her job as Alderman of Pearl.

"Pearl High School has really been my family. I enjoy coming to work every day", says Hill.

BECKY ROWAN

PROUD PIRATE FOR 26 YEARS!

By Christian A. Smith
Mrs. Becky Rowan has been a Pearl Pirate for 26 years. She started as an English teacher and taught for seven years. In 1997 Rowan became one of Pearl High School's counselors.

Rowan enjoys the community and especially the relationships she has built with people over the past years. One of Rowan's best memories is, "When we moved

into this building in 1989 from the old high school." She remembers there being such an excitement in the community over the new PHS. One of the impacts PHS has had on Rowan is the people. Students, parents, and especially her colleagues have made such a great impact on her life. Rowan has seen PHS go through the worst of times, but she has also seen this school in the best of

times, and regardless the circumstances, there is always a spirit of the PHS family.

"I feel especially blessed to have been part of this school, from my first grade days all the way through my retirement days. The love and support that PHS has shown me through the years will never be forgotten, and I will always be a 'Fighting Pirate!' It has been a joy!"

PROUD PIRATE FOR 3 YEARS!

GREG SPRINGER

By Maya Miller

Greg Springer has been teaching band at Pearl High School for 3 years. After he leaves, he plans to go to the University of Kentucky to pursue his PhD in Music. Springer was drawn in by PHS's long tradition of excellence

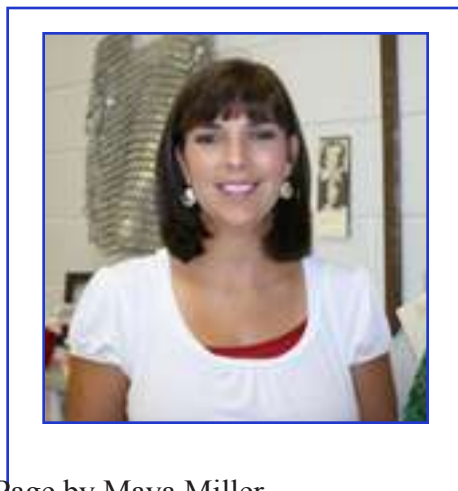

in the arts, academics, and athletics, which was one of the reasons he chose to work here. He also knew Jeff Cannon, another band director, in high school. Springer's favorite memories of PHS are from 2007 and 2009 when the Pearl Pirate Marching Bands were crowned state champions.

Springer says, "It feels like a family. Everyone here is so close and the teachers and students all get along like a family." He also says he will miss the school, the students, the amazing staff and faculty, and he would consider coming back after college.

KIM LAFONTAINE

PROUD PIRATE FOR 13 YEARS!

By Josh Griffin

Mrs. Kim LaFontaine, a well-known teacher since 1997, is leaving Pearl High School to become a District Administrator at the Central Office.

LaFontaine's primary responsibilities will include: Personnel, public relation, grant writing and secondary

curriculum.

LaFontaine first joined PHS out of necessity and she really needed a job. PHS had an opening, so she took it. "The question is why did I stay?" Despite tragic times, Mrs. LaFontaine knew she was meant to be a Pirate.

She said nowhere is there a group of people who

care for their students and each other as much as the teachers at PHS.

"The teachers I've worked with from back when I started until now have a deep desire to work here. The teachers and students influenced me to stay here. I thank God for putting me in a place like Pearl High School."

Fast Pitch Softball—Division Runner Up

Baseball—Division Champions

The Heart of the Fighting Pirate!

Are you smarter than the average Pirate?

1. A basket contains 5 apples. Do you know how to divide them among 5 kids so that each one has an apple and one apple stays in the basket?
2. The captain of a ship was telling this interesting story: "We traveled the sea far and wide. At one time, two of my sailors were standing on opposite sides of the ship. One was looking west and the other one east. And at the same time, they could see each other clearly." How can that be possible?
3. I am looking at somebody's photo. Who is it I am looking at, if I don't have any brothers or sisters and the father of the man in the photo is the son of my father?
4. Why can't a man living in the USA be buried in Canada?
5. Is it legal for a man in California to marry his widow's sister? Why?

ACROSS

- 2 Spanish musical theme of the Pearl Pirate Band
- 5 It's a great day to be a
- 6 Art teacher of the year
- 7 Star student of the year
- 8 Work that all students dread
- 10 Principal named superintendent
- 12 The week before the first football game

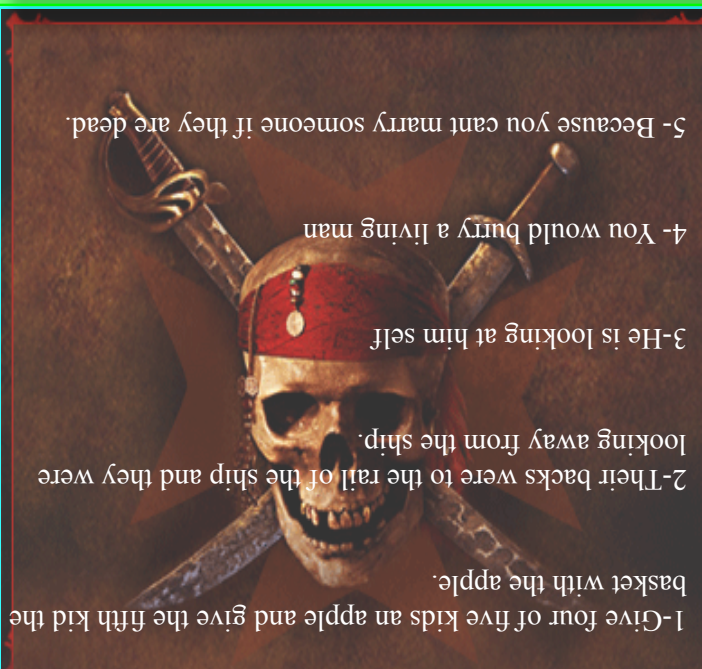

DOWN

- 1 Administrator of the year
- 3 The toughest week of the year
- 4 Class winning the spirit week competition
- 7 The first dance of the year
- 9 Spirit Week theme
- 11 New principal for the 2010-2011 school year

Pun Of The Issue

I wondered why the baseball was getting bigger. Then it hit me.

Page by Joshua Griffin

Where's the Pirate Coin?

The square root of $64 \times 2 / 4 \times 2$. The answer will lead you to the correct page. Good Luck.
