Workmen' Compensation

Since October 1, 2000, the Board of Education of the City of Orange Township has contracted with the New Jersey School Board's Insurance Group to provide services to employees with work related injuries. This workmen's compensation plan provides the district with an expanded network of physicians that provide needed initial services to employees.

The following procedures are to be adhered to when filing a Workmen's Compensation claim:

Only Non-Emergency Injuries that occurred on district property

1. Report the injury, within 24 hours, to the School Nurse and School Principal.
2. Confer with the School Nurse who will assist you in evaluating the extent of your injuries.
3. The School Nurse will give you a "red" Managed Care card that will have a telephone number for you to call to obtain medical assistance.
4. Wherever possible, have the school nurse call the managed care provider, with you present, to assist the managed care provider in obtaining vital information as to the extent of your injuries.
5. After the managed care provider has obtained all necessary information, you will be scheduled to see a doctor of your choice in the managed care network. Please note that each school should have a copy of the directory of all doctors in the network.
6. **FOR WORK RELATED INJURIES, EMPLOYEES MAY ONLY SEE DOCTORS APPROVED IN THE MANAGED NETWORK. IF YOU SEEK TREATMENT OUTSIDE THE MANAGED NETWORK YOU OR YOUR MEDICAL COVERAGE MAY BE RESPONSIBLE FOR THE PAYMENT OF THOSE SERVICES.**
7. Complete the School Accident Report Form and submit a copy to the Principal and Business Office.

Emergencies

1. Immediately report the injury to the School Nurse and/or School Principal.
2. With the assistance of the School Nurse and/or Principal, immediately contact and go the nearest emergency room to obtain medical attention.
3. Inform the emergency room that the injury was work related.
4. Once your condition has stabilized, contact the managed care provider to report the injury and to provide all other necessary information.
5. Whenever possible, complete the School Accident Report Form and submit a copy to the Principal and Business Office.

The above procedures should help to simplify the process to obtain medical treatment and to provide employees with a network of physicians that may be more convenient to their home. If you have questions or need additional information, please contact your school nurse or Ms. Faith Holmes, confidential secretary and coordinator of Workman comp. @ Ext. 6016.
