

Good evening Sunset Families,

My name is Nels Radtke and I am your child's PE teacher at Sunset Elementary. I'm calling to remind you that this Friday morning is our annual Falcon Field Day. Please encourage your children to wear appropriate PE shoes and clothes and to bring some sunscreen and water.

Volunteers will need to check in at the front office by 8:30 and then head to the gym to pick the station you would like to be in charge of. We will have a brief introduction at 8:45 followed by station setup. This should allow for plenty of time for me to come around and answer any questions you may have about your station before the start of Field Day. It's not too late to volunteer if you haven't turned in a form yet. Just show up by 8:30 and we'll find a station for you to help out with.

Thank you again for support of our Sunset students and we look forward to seeing Friday morning.
