BE IT RESOLVED by the Board of Education of the Greenville City School District (herein the "School District").

SECTION 1. That it is hereby declared that the amount of taxes which may be raised in this School District within the ten-mill limitation by levies on the current tax duplicate will be insufficient to provide an adequate amount for the necessary requirements of this School District.

SECTION 2. That pursuant to the provisions of Section 5705.21 of the Ohio Revised Code, it is necessary that a renewal tax be levied in excess of the ten-mill limitation for the benefit of this School District, for the purpose of current expenses at a rate not exceeding five and one-half (5.50) mills for each one dollar (\$1.00) of valuation for a period of five (5) years. SECTION 3. That the question of the adoption of said renewal tax levy shall be submitted to the electors of the school district at the election to be held on November 3, 2015. Subject **R. Resolution Approval-Academic Distress Commission**
Meeting Aug 20, 2015 - Greenville City School District Board of Education
Category 10. SUPERINTENDENT'S BUSINESS-Requests
Type Action

Recommended approval of the following resolution:

WHEREAS, public schools have been the hallmark of the American education system and the foundations of the nation's democracy; and

WHEREAS, Ohio's schools have traditionally been governed by an elected board of education, the members of which have been chosen by their fellow community members to make sound decisions concerning the education of the community's children and to determine the most effective use of local tax dollars in pursuit of that goal; and

WHEREAS, the 2010 appointment of an academic distress commission in the Youngstown City Schools and the recent restructuring of that commission to function under a CEO appointment by individuals who may reside outside the Youngstown community - as opposed to being named by those who best know that community - has set aside the ability of the elected board of education to exercise its governing authority; and

WHEREAS, those restructuring changes were contained in a last-minute amendment to House Bill 70, which the Ohio General Assembly passed without any serious input from the Youngstown City Board of Education or Youngstown community; and

WHEREAS, the adoption of this amendment was completed by Columbus-based legislators with little or no connection to the Youngstown community and without any genuine effort to engage those most affected by the action; and

WHEREAS, this legislation lays the groundwork for the same restructuring changes to take place in other districts across the state

THEREFORE, BE IT RESOLVED, that we, the Greenville City Schools Board of Education, representing the children they serve, do object and protest the manner in which this Draconian legislation was passed and question how the district reforms and improvements can be achieved without involving and engaging the elected board of education and the Youngstown community; and

BE IT FURTHER RESOLVED, that we ask the Superintendent of Public Instruction, as the manager of the academic distress commission process, to take appropriate steps to engage the elected board of education and community in the school improvement process prior to appointment of the new CEO; and

BE IT FURTHER RESOLVED, that we implore members of the Ohio General Assembly, the State Board of Education, an Governor John R. Kasich to seek amendments to House Bill 70 and the academic distress commission procedures that will preserve and enhance democracy and local control; and

BE IT FURTHER RESOLVED, that such amendments should embrace the original intent House Bill 70's to foster community engagement and collaboration to create community learning centers that will better serve Youngstown's children and families; and

BE IT FURTHER RESOLVED, that all Ohio boards of education adopt this resolution and forward said resolution to the governor, the members of the Ohio General Assembly, the State Board of Education and the state superintendent of public instruction.

Subject **R. Resolution Approval-Academic Distress Commission**
Meeting Aug 20, 2015 - Greenville City School District Board of Education
Category 10. SUPERINTENDENT'S BUSINESS-Requests
Type Action

Recommended approval of the following resolution:

WHEREAS, public schools have been the hallmark of the American education system and the foundations of the nation's democracy; and

WHEREAS, Ohio's schools have traditionally been governed by an elected board of education, the members of which have been chosen by their fellow community members to make sound decisions concerning the education of the community's children and to determine the most effective use of local tax dollars in pursuit of that goal; and

WHEREAS, the 2010 appointment of an academic distress commission in the Youngstown City Schools and the recent restructuring of that commission to function under a CEO appointment by individuals who may reside outside the Youngstown community - as opposed to being named by those who best know that community - has set aside the ability of the elected board of education to exercise its governing authority; and

WHEREAS, those restructuring changes were contained in a last-minute amendment to House Bill 70, which the Ohio General Assembly passed without any serious input from the Youngstown City Board of Education or Youngstown community; and

WHEREAS, the adoption of this amendment was completed by Columbus-based legislators with little or no connection to the Youngstown community and without any genuine effort to engage those most affected by the action; and

WHEREAS, this legislation lays the groundwork for the same restructuring changes to take place in other districts across the state

THEREFORE, BE IT RESOLVED, that we, the Greenville City Schools Board of Education, representing the children they serve, do object and protest the manner in which this Draconian legislation was passed and question how the district reforms and improvements can be achieved without involving and engaging the elected board of education and the Youngstown community; and

BE IT FURTHER RESOLVED, that we ask the Superintendent of Public Instruction, as the manager of the academic distress commission process, to take appropriate steps to engage the elected board of education and community in the school improvement process prior to appointment of the new CEO; and

BE IT FURTHER RESOLVED, that we implore members of the Ohio General Assembly, the State Board of Education, an Governor John R. Kasich to seek amendments to House Bill 70 and the academic distress commission procedures that will preserve and enhance democracy and local control; and

BE IT FURTHER RESOLVED, that such amendments should embrace the original intent House Bill 70's to foster community engagement and collaboration to create community learning centers that will better serve Youngstown's children and families; and

BE IT FURTHER RESOLVED, that all Ohio boards of education adopt this resolution and forward said resolution to the governor, the members of the Ohio General Assembly, the State Board of Education and the state superintendent of public instruction.

Subject I. Resolution Approval-Override Legislation to the Gubernatorial Veto of TPP
Meeting Sep 17, 2015 - Greenville City School District Board of Education
Category 9. TREASURER'S BUSINESS
Access Public
Type Action

Recommended approval of the following resolution, "Calling on Greenville School District Legislative Representatives to Sponsor and Promote Override Legislation to the Gubernatorial Veto of TPP reimbursements for FY17".

WHEREAS, The Tangible Personal Property Tax was a local tax that was eliminated by the Ohio Legislature in 2005 in favor of the statewide Commercial Activities Tax; and

WHEREAS, Greenville City Schools once derived nearly 4 million dollars per year from this component of our tax base; and

WHEREAS, The State of Ohio, in recognition of the fact that a local tax was, in fact, confiscated, committed to reimburse school districts for the value of that tax; and

WHEREAS, As of FY15, The State of Ohio was still reimbursing Greenville a reduced amount of approximately 600,000 dollars per year; and

WHEREAS, The Ohio Legislature further committed to maintain these reimbursements in perpetuity in the 2013 budget cycle; and

WHEREAS, The Ohio House of Representatives and Rep. Buchy voted to maintain a TPP supplement to total state aid for FY16 and FY17 in HB64, the 2016-2017 Biennial Budget; and

WHEREAS, The Ohio Senate, and Sen. Faber voted to maintain a TPP supplement to total state aid for FY16 and FY17 in HB64, the 2016-2017 Biennial Budget; and

WHEREAS, The Ohio House and the Ohio Senate confirmed their intentions by voting for the Conference Committee Report; and

WHEREAS, The Governor of the State of Ohio revoked the intended funding via the Line Item Veto provision of the Ohio Constitution; and

WHEREAS, The Ohio Constitution allows for the legislature to override gubernatorial vetoes through the legislative process. Now, therefore, be it

RESOLVED, that the Greenville City Schools Board of Education calls on our primary legislative representation, Rep. James Buchy and Senator Keith Faber to introduce and sponsor legislation to override the gubernatorial veto and restore the TPP reimbursement hold harmless provision for FY17; and

BE IT FURTHER RESOLVED, that the Greenville City Schools Board of Education will send a copy of this Resolution to the President of the Board of Education and the Treasurer of similarly situated school districts materially harmed by the line item veto; and

BE IT FURTHER RESOLVED, that our Representatives introduce legislation in their respective chambers that will allow Greenville and similarly situated districts to capture the losses associated with the confiscation of the TPP tax in permanent law.

Subject	J. Resolution Approval-Legislation altering the funding mechanism for Charter and Scholarship Schools in Ohio
Meeting	Sep 17, 2015 - Greenville City School District Board of Education
Category	9. TREASURER'S BUSINESS
Access	Public
Type	Action

Recommended approval of the following resolution, "Calling on Greenville School District Legislative Representatives to Sponsor and Promote Legislation altering the funding mechanism for Charter and Scholarship Schools in Ohio".

WHEREAS, Ohio law specifies that a system of public education includes publicly funded charter and scholarship schools; and

WHEREAS, Charter and scholarship schools are funded as a deduction from state aid to the public school district of residence for the attending student; and

WHEREAS, Under HB64, Charter and Scholarship School enrollment represents only 3.8 % of the student population but funding deductions will account for in excess of 6.5 % of total state funding received in Greenville; and

WHEREAS, Under HB64, Greenville schools state aid per pupil is approximately \$4,309 and the Charter and Scholarship School deduction is approximately \$7,409; and

WHEREAS, Under HB64, from FY16 through FY20, total state resources are expected to decline and deductions for charter and scholarship school funding are expected to increase; and

WHEREAS, It was the stated intent of the Ohio House and Ohio Senate that school districts, including Greenville, receive at least as much funding in FY16 and FY17 as in FY15; and

WHEREAS, As a result of Charter and Scholarship School Funding increases, Greenville will receive less funding in FY16 than FY15. Now, therefore be it

RESOLVED, that the Greenville City Schools Board of Education calls on our legislative representation to introduce and sponsor legislation that will eliminate the state policy of deducting Charter and Scholarship School Tuition from the public district of residence State of Ohio funding; and

BE IT FURTHER RESOLVED, that our legislative representation sponsor legislation to appropriate sufficient funds for a true hold harmless in FY16
