

Dear High School Principals and Career Counselors,

The Oklahoma City Chapter of The Society of Petroleum Engineers (SPE) offers two types of scholarships to graduating seniors to be awarded for the 2015-16 Freshmen year of College. The applicants must reside in SPE's Oklahoma City coverage area, which is listed below by county.

Alfalfa	Coal	Greer	Love	Pontotoc
Beckham	Custer	Hughes	McClain	Pottowatomie
Blaine	Dewey	Johnston	Major	Roger Mills
Caddo	Ellis	Kingfisher	Marshall	Seminole
Canadian	Garfield	Kiowa	Murray	Washita
Carter	Garvin	Lincoln	Okfuskee	Woods
Cleveland	Grady	Logan	Oklahoma	Woodward

For the graduating high school seniors to qualify for the scholarships, the candidates must either be 1) pursuing a Petroleum Engineering Degree or 2) the Son or Daughter of an SPE Member and enrolled in a math or science program. SPE has distributed these scholarships since 1998 and the program has been a huge success. We need your help in finding talented young people. Successful candidates will exhibit superior communication skills and display ability in math and the sciences. The awards will be distributed when the recipient is registered and declared as a full time college freshman in an accredited university.

Applications must be received by **April 1st**. Candidates will be notified by May 1st of their application status. An awards luncheon will be held on Thursday May 14th at the monthly SPE Luncheon in Oklahoma City.

SPE appreciates your assistance in distributing this information to qualified High School seniors and Petroleum Engineering Students. Please contact the undersigned if you have further questions. Further information can be found at www.speokc.org or contact me directly at mclark@cudd.com.

Email in pdf format (preferred) or Mail (1) application, (2) appraisal form and (3) certified transcript to:

Responsibilities: _____

PLEASE READ AND SIGN:

Any scholarship awarded by the Society of Petroleum Engineers, Inc. is contingent upon the recipient's being officially registered and enrolled in a curriculum leading to the degree of Bachelor of Science. The scholarship is paid in two equal portions at the beginnings of the first two semesters. The above information is required for you to be considered for this scholarship. Your signature below authorizes SPE to release the application and information to colleges with Engineering/Sciences programs for consideration of other financial support and is required before you are considered for a scholarship.
