Vision Statement

Fort Gibson Schools will provide students a premier education for an ever changing tomorrow.

Mission Statement

Empower Students To Achieve!

MIDDLE SCHOOL HANDBOOK

Students, we welcome you to Fort Gibson Middle School. Our desire is that this year will be an enjoyable experience. We want your personal and educational growth to be in a positive direction. You will learn necessary and useful skills for the future.

As a student of this school, you are expected to follow the rules that are established for the welfare of the entire student body. You are expected to follow the middle school student handbook and conduct yourself properly. Be proud of your school. Take good care of it and feel free to make suggestions for improving it. The purpose of this handbook is to be a guide, however it may not cover every situation that occurs in middle school.

Parents, you are cordially invited to visit at any time, and we sincerely hope that you will do so. We feel that with your cooperation this will be a successful year for your child. With your help, we will achieve our goals. We suggest that you acquaint yourself with the information contained in the handbook so you may be better informed concerning the policies and procedures of our school. However, as situations arise, changes/additions may be made to this handbook. Your student will be informed of any changes or additions by the intercom and/or the middle school bulletin.

Fort Gibson Middle School's character program contains a range of activities that develop character in our students and regards character as something everyone can learn. Character is the quality of "knowing what is right, desiring what is right, and doing what is right". Character education creates the climate for learning and caring in schools. As responsible and caring educators we feel character education must become a deliberate effort in our homes, schools and communities. The late Dr. Norman Vincent Peale wrote, "The world is desperately in need of men and women of character who have the courage to do the right things about wrong conditions."

Please keep this handbook throughout the school year and refer to it often for information. If you have any suggestions that may improve our handbook, please notify the office.

Have a great year!

LEGAL CUSTODY

A parent or guardian who has legal custody of a child and does not wish the other parent to have access to the child must present proper legal documents to the principal to establish custody rights. Files will be appropriately marked to signify students that may not be accessed by certain individuals.

VISITORS

We welcome parents to visit the school. For the safety and security of our students and staff, we require all visitors to "check-in" at the front office and receive a visitor's badge.

SAFE CALL

If you are concerned about your safety or that of your friends, or know of a threat to your school, please call **TOLL FREE 1-877-SAFE-CAL(L)** or 1-877-723-3225, a free call in all 77 counties. This anonymous and confidential school safety hotline is a service of the Oklahoma State Department of Education in cooperation with Commissioner of Public Safety.

MOMENT OF SILENCE

SB815 signed into law on May 31, 2002, requires districts to observe one minute of silence each day during which students may "reflect, meditate, pray, or engage in other silent activity" that does not disrupt classrooms.

CHECK IN/OUT PROCEDURE

Students who arrive late or return from an appointment must check in at the middle school office before going to class. Parents planning to pick up a student between 7:55 a.m. and 2:40 p.m. need to sign their student out in the office.

BEFORE SCHOOL

Students arriving prior to 7:30 a.m. must wait in front of the Middle School. Students are not to wait in front of the cafeteria. When the cafeteria opens at 7:30 a.m., students may walk to the cafeteria. Students are to leave the cafeteria when finished eating. Students are not to be in the cafeteria unless eating breakfast.

AFTER SCHOOL

All students riding buses are to load immediately and remain on the bus. Parents picking students up should do so in the parking lot east of the middle school near the soccer fields. Students are to leave the campus immediately after dismissal at the end of the day unless they are participating in supervised activities.

ILLNESS OR INJURY AT SCHOOL

Office personnel will contact the student's parent/guardian if the student needs to go home or if medical attention is required. It is important that we have emergency numbers on file so we may reach you in an emergency. Should a phone number change, please notify the school office.

ATTENDANCE

In accordance with the policy of the board of education, each middle school student is required to attend each class a minimum of 90% of the time in order to receive credit for that class. A maximum of **nine (9) days** a semester may be missed. The following absences will not count against the ninety percent (90%) attendance requirement:

- (1) Medical appointments, illness (doctor, dentist, optometrist) substantiated by an original doctor's statement. Doctor's statements must be turned into the office within two (2) days of absence.
- (2) School related activities

When absent for any reason, please call the office on the morning of the absence by 8:00 a.m. The office opens at 7:30 a.m. each day.

MAKEUP WORK (DUE TO ABSENCE)

All work missed during a period of absence may be made up. The attendance policy allows a student **one** (1) **day for each day of absence** to make up missed work when the student returns to school. For example, if a student is absent on Monday, he is given Tuesday to complete the make-up work which will be due on Wednesday. **Parents requesting homework should call the school office before 8:00 a.m.** If the student is going to be absent for an extended time or have a school related absence, the student should ask for makeup work in advance. *It is the student's responsibility to ask the teacher for necessary make up work*.

TARDIES

Definition of Tardy: A student is tardy if **not** in **his/her seat** in the classroom when the tardy bell begins to ring. If you arrive at school after the 8:00 a.m. tardy bell, you must report to the office for an admit slip to class. Excuses such as oversleeping, the alarm did not sound, ride running late, car trouble, flat tire, etc. **are not** excused for being tardy. A student who is **more than ten (10) minutes late** for class will receive an unexcused absence for that class.

Students are allowed two tardies per class per nine weeks with no consequences. On the third tardy, and every tardy thereafter, students earn an after school detention. Students have sufficient time to change classes without being tardy.

LIBRARY/MEDIA CENTER

The library/media center is open daily at 7:45 a.m. Students may use the media center with permission from their teacher. Students should use the on-line catalog in their classroom before visiting the Media Center.

COUNSELOR

The counselor works with students or parents on academic and personal problems, scheduling, testing, and interpreting test results. The counselor is available from 7:45 a.m. until 2:45 p.m. each day.

CONFERENCES

Parent/guardian-teacher conferences are encouraged for the purpose of giving each person a better understanding of the student's needs. Conferences about the student's academics or classroom behavior should be scheduled first with the child's teacher. With prior notification, teachers are available for conferences during their planning period. You may arrange for a conference with the teacher or your child's team of teachers by calling the counselor, assistant principal, or principal.

PARENT COMPLAINT PROCEDURE

- (a) Parent must make an appointment with the teacher about the complaint. (Get the facts.)
- (b) The complaint will be turned over to the *Building Complaint Committee*.
- (c) Parent may request a meeting with the principal, teacher, and parent.
- (d) Parent may request a meeting with the superintendent.
- (e) Parent may request a meeting with the board.
 - *** Complaint may be resolved at any step in the process.

WEEKLY PLANNER

A weekly planner is an excellent tool to help students keep themselves organized. It informs parents of their child's daily assignments, upcoming tests, etc. The following procedure is used for planners:

(a) The student picks up planner on Monday from their 1st hour teacher or the counselor's office.

- (b) The student writes down class work assignments for each class -- each day.
- (c) <u>Upon request from the student</u>, the teacher initials the planner each day at the end of the hour. Students should not return to their teacher's classroom and interrupt another class to have their planner signed.
- (d) Parent(s) should check the planner each evening and initial off that homework has been seen and finished.

GRADE CHECKS

Parents may access their student's grades/lessons/assignments on-line with an access password. Passwords may be picked up from the middle school office.

REPORT TO PARENTS AND GRADING SYSTEM

Students will be given progress reports periodically throughout the semester. If at any time you have questions concerning your child's grades, please contact your child's teacher. The letter grades used indicate the following:

A+=98-100	B+ = 87-89	C+ = 77-79	D+ = 67-69	F = 59 & below
A = 93-97	B = 83-86	C = 73-76	D = 63-66	I = Incomplete
A = 90-92	B- = 80-82	C - = 70 - 72	D- = 60-62	NC = No Credit

ELIGIBILITY

A STUDENT WILL NOT PARTICIPATE IN A SCHOOL SPONSORED ACTIVITY UNLESS HE/SHE ATTENDS SCHOOL THE DAY OF THE ACTIVITY. Any student who participates in extracurricular activities, field trips, or competitive events must meet the eligibility/attendance requirements set by the Oklahoma Secondary Activities Association. Grades are checked weekly. A failing average in a class places the student on a one-week probation list. A failing average in that class or any other class the following week will place the student on the ineligible list until a passing average is obtained. The ineligible week runs from *Monday* through *Sunday*. An "F" for a semester grade automatically carries a six-week ineligible status. If students are ineligible or owe the school money, they may not go to other middle school activities.

SEMESTER TESTS

Semester tests will be given on the final two days of the semester. The semester test shall be a cumulative assessment and assessed at a value of 10% of the cumulative grade. Students shall not be permitted to take semester examinations earlier than scheduled for all students. Students who leave school before the end of the semester must check with the counselor or principal to make up semester examinations missed.

CAFETERIA

All students are encouraged to eat lunch.

Parents may write a check for the month and deposit the money in the student's account at the cafeteria for the Tiger Rock Line (*front line*) and the Tiger Den Line (*back line*.)

Students misbehaving going to and from the cafeteria, not demonstrating proper cafeteria behavior and violating cafeteria rules may be assigned after school detention or detention table by any cafeteria duty teacher. Students assigned to the detention table at lunch must eat on the Tiger Rock Line. Students may not go to the Tiger Den Line or drink machine.

BICYCLES

When on school grounds, students must walk their bicycle to and from the bike rack. Bicycles may be parked only in the bicycle rack. Security of bicycles is up to the owner. The school takes no responsibility for loss or damages to the student's bicycle while parked on school property.

LOCKERS

Students may not share lockers. Students are responsible for maintaining their locker in a neat, clean condition with no stickers or writings. Students are not allowed to change lockers without approval of school administration. The school will not be responsible for replacing or recovering items lost from lockers. Good grooming promotes pride and good behavior. The foundation of a dress code is to provide appropriate standards for student appearance and to assist in maintaining student behavior that is instrumental to the learning environment. Good grooming is a cooperative effort of the school, parents, and students. Following the dress code will eliminate the necessity of correcting students for improper dress. DETENTION

Students make choices every day. Choices have consequences. Detention is a consequence for not making a wise choice.

(a) Receiving and Returning Detention Slips

- 1. The teacher and/or principal will write a detention based upon the action of the student.

- 1. Middle School detention is usually held on Tuesdays, Thursdays, or Fridays but may be any day of the week from 2:45 p.m. to 4:00 p.m. It is the responsibility of the parents to pick up their student at 4:00 p.m.
- 2. Saturday Detention will be held on Saturday morning from 8:00 a.m. to 12:00 p.m. This will be used only when necessary, as determined by the principal.
- 3. During detention, students will be given paragraphs to copy.

- 5. Failure to attend detention on assigned date (no show) will result in additional detentions.
- 6. Students absent from school on an assigned detention day will serve their detention on the next available detention date.

ACADEMIC REMEDIATION

The purpose of Academic Remediation is to provide students the opportunity to finish incomplete, missing, or incorrectly done assignments.

It is the student's responsibility to complete classwork on time. If they do not, the following steps will be taken in order to ensure that each assignment is completed and returned to their teacher.

<u>Step 1</u>: (Classroom Intervention) Students will fill out an academic practice form and serve lunch study hall for failing to return classwork on time to their teacher. The form must be signed by the parent and the assignment must be completed and returned to their teacher by 8:00 a.m. the following day. Student may receive up to 80% credit for the assignment. (Process Ends)

<u>Step 2</u>: (Office Referral) Students that fail to return their completed assignment or the form signed by their parent will be referred to the office. These students will serve in "Academic Practice" after school on the next available date in order to complete the assignment. Student attendance is mandatory. Students may receive up to 70% credit for assignments completed in "Academic Practice."

INTERNET AND OTHER COMPUTER NETWORKS ACCEPTABLE USE POLICY

The Fort Gibson Board of Education believes that the use of the Internet and other local and/or wide area networks will further education by promoting the exchange of information and ideas and by providing inter- and inter-district, statewide, national, and global opportunities for staff, students, and the community. **Students will be able to access the Internet and local network under the supervision of their teachers.** Individual student and patron accounts and E-mail addresses will not be provided and the user will not be permitted to use an address to send and receive mail at school. However, individual employee accounts and e-mail addresses will be provided and employees will be permitted to use the address to send and receive mail at school.

Since the Internet constitutes an unregulated collection of educational resources that change constantly, it is not possible to predict or control exactly what resources users may locate. The school district makes no guarantees of the accuracy of the information or the appropriateness of materials that a student may encounter. Students will be under teacher supervision; however, it is not possible to constantly monitor individual students and what they are accessing. Students and other users will refrain from intentionally accessing and downloading any text, picture, or on-line conferencing that includes material which is considered to be obscene, libelous, indecent, vulgar, profane, or lewd; advertises any product or service to minors prohibited by law; presents a clear and present danger; or will cause the commission of unlawful acts or the violation of lawful school regulations. Users will not solicit or receive any information or service that could result in unauthorized expense to the district.

Users will be courteous and polite. Messages will be concise and not abusive in content or language. Personal information should not be revealed. Records of Internet use will be considered confidential; however, users must be aware that any message or information posted on the Internet may be accessed by others for whom it is not intended. E-mail and downloaded materials will be deleted from the system on a regularly scheduled basis.

Users of the services will respect all copyright and license agreements. Copyrighted software, pictures, or music will not be downloaded for use that violates copyright laws.

Staff, students, and the community must agree to attend an orientation that will address the issues of appropriate use of the school network, Internet, copyright laws, Internet etiquette, and fees (if any) incurred during the use of the services. An Internet/Computer Network use agreement will be signed by all persons wishing to use the services provided by the school district.

Violation of the Internet/Computer Network Acceptable Use Policy will result in forfeiture of all user privileges. Violators shall also be subject to appropriate disciplinary action. Pending investigation into a student/staff complaint of inappropriate use of the networks, user privileges will be suspended.

The district shall not be liable for users' inappropriate use of electronic communication resources or violations of copyright restrictions, users' mistakes or negligence, or costs incurred by users. The district shall not be responsible for ensuring the accuracy or usability of any information found on the Internet.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. These are:

- The right to inspect and review the student's education records within 45 days of the day the District receives a request for access. Parents or eligible students should submit to the school principal (or appropriate school official) a written request that identifies the record(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
- _ The right to request the amendment of the student's educational records that the parent or eligible student believes are inaccurate, misleading or in violation of student rights.

Parents or eligible students may ask the District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate, misleading or in violation of student rights.

If the District decides not to amend the record as requested by the parent or eligible student, the District will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Upon request, the District discloses education records without consent to officials of another school district in which a student seeks or intends to enroll.

Important Information for Parents About Meningococcal Disease and Meningococcal Vaccines from the Oklahoma State Department of Education and the Oklahoma State Department of Health

What is meningococcal disease?

Meningococcal (men-IN-jo-kok-ul) disease is a rare but sometimes fatal disease caused by a bacterium called *Neisseria meningitidis*. The disease causes either meningitis, severe swelling of the brain and spinal cord, or meningococcemia, a serious infection of the blood.

Who is at risk from meningococcal disease?

Although the risk is extremely low, disease does occur. Babies less than a year old have the highest risk for meningococcal disease, but no vaccine is available to protect them.

Teenagers and young adults, aged 15 to 22 years, are at increased risk because of behaviors that spread the disease. On average two to three people in this age group get meningococcal disease every year in Oklahoma. More than half of these could be prevented by vaccine.

College freshmen living in dormitories have a greater chance of contracting the disease than other persons their age. Others at increased risk are those with immune system problems, without a spleen, and traveling to parts of the world where the disease is more common.

How is the disease spread?

The disease is spread by droplets in the air and direct contact with someone who is infected. That includes coughing or sneezing, kissing, sharing a water bottle or drinking glass, sharing cigarettes, lipstick, lip balm—anything an infected person touches with his or her mouth.

Is meningococcal disease dangerous?

Yes, every year in the United States about 2,500 people are infected and about 300 people a year die, in spite of treatment with antibiotics. Of those who live, about 400 a year lose their arms or legs, become deaf, have problems with their nervous systems, become mentally retarded, or suffer seizures or strokes. This is why preventing the disease is important. If your child has symptoms of meningococcal disease contact your health-care provider immediately.

Signs and Symptoms of Meningitis

- Headache
- Fever
- Chills
- Stiff neck
- Extreme tiredness
- Vomiting
- Sensitivity to light
- Rash of small purplish black-red dots

How can meningococcal disease be prevented?

Vaccines can prevent many types of meningococcal disease, but not all types. There are two vaccines available in the United States that protect against four of the five most common strains of the meningococcal bacteria. The newest vaccine, called Menactra, or MCV4, is currently available for:

Adolescents entering high school (15 years of age),

College freshmen who live in dormitories, Other people at high risk 11- through 55years-of-age.

There is a shortage of both vaccines because the company that makes the vaccines has not been able to keep up with the demand; therefore, it may be difficult to get the vaccine. However, healthcare providers are saving the vaccine for these groups.

The earlier vaccine, called Menomune, or MPSV4, was effective in older children and teenagers but booster doses were needed every three to five years. The new vaccine protects against the same types of meningococcal bacteria and probably will not require booster doses. MPSV4 is still used for children 2- through 10-years-old and adults over 55 who are at risk.

Teenagers and young adults can also reduce their risk by taking good care of themselves, by eating a balanced diet, getting enough sleep and exercise, as well as avoiding cigarettes and alcohol.

Is the meningococcal vaccine safe?

Yes, both vaccines are safe; however, there are risks with any vaccine. About half of the people who get the vaccine will have pain and redness where the shot was given, but because the vaccine is not made from the whole bacteria, it cannot cause bloodstream infections or meningitis. A small percentage of people who get the vaccine develop a fever. Vaccines, like all medicines, carry a risk of an allergic reaction, but this risk is very small.

A few cases of Guillain-Barré Syndrome, a serious nervous system disorder, have been reported among people who got the new vaccine, MCV4 (meningococcal conjugate vaccine). At this time, there is not enough evidence to tell if the vaccine caused the disorder. Health officials are investigating these reports.

Does the meningococcal vaccine work?

Yes. The new meningococcal vaccine protects about 90 percent of the people who receive it from meningococcal disease caused by types A, C, Y, and W-i35. These types cause almost two-thirds of all meningococcal disease in teenagers in the United States. It does not prevent type B, which causes about one third of the cases in teenagers.

Does the meningococcal vaccine prevent all cases of meningitis?

No. However, 63 percent of the meningitis cases in 18-22 year olds occurring in Oklahoma from 2000 through 2005 could have been prevented by vaccination. The meningococcal vaccine does not include type B. Scientists have not been able to make a vaccine that will protect against type B. Other bacteria and viruses can also cause meningitis. More information about these causes can be found at the National Meningitis Association Web site listed in the box in the next column.

Where can I get the vaccine for my son or daughter?

If your child has health insurance you can obtain the meningococcal vaccine from your health-care provider.

Local county health departments have the vaccine available now at no charge for all children who:

Have no health insurance, Are Medicaid eligible, Are Native American, Or whose health insurance does not pay for

and are either 15 through 18 years of age, or who do not have a spleen, have certain immune system problems, or who will be traveling to certain parts of the world.

vaccines,

Is this vaccine required to attend school in Oklahoma?

This vaccine is not required to attend kindergarten through the 12th grade in Oklahoma. However, it is required for students who are enrolling in colleges and other schools after high school who will live in dormitories or on-campus student housing.

Where can I get more information?
