GENERAL REPORT ITEMS

PAYROLL REPORT

Payroll warrants from 39735 to 39776 and direct deposits from -89359 to -89333 were approved by the superintendent and paid in December.

Payroll warrants from 39777 to 39809 and direct deposits from – 89332 to -89304 were approved by the superintendent and paid in January.

DISTRICT OFFICE PROCEDURES

I've set a goal to complete the documentation for at least one (1) procedure each month. December will be to detail payroll so that one could open the procedure manual and complete a payroll with little or no fuss.

TECHNOLOGY WORKSHOP

On Nov. 16 & 17 I attended a technology workshop. It covered Black Mtn software and PERS (Public Employees' Retirement System).

The software portion was a day long and incredibly informative. There are so many reports, charts, etc. that can be done or tricks to do that really save time. The PERS part was a half day and covered information concerning the effect of employment dates, job classifications, etc. on the retirement benefit for employees.

MASBO Board meeting

January 20 through part of January 23 I will be attending a board meeting/training at Big Sky. I hope to attend the Whitehall games on the 20th and leave from there. Unfortunately, I'll be missing the Manhattan games here at home.

AUDIT

The auditors have finished the audit. I have to make time to go through it to make sure that we agree with their information. Hopefully I can get to that Jan. 16-19.

IRS REQUIREMENTS

As you may be aware, the IRS is requiring that W-2 and 1099 information be submitted to them by the end of January rather than March. This won't affect me too much as I already have the W-2's finished and am ready to print 1099's this week.

Principal's report 1/17/17

- We are working with School Info App to develop and implement a branded Jefferson High School App to better communicate and give stakeholders another means of communicating with the school, I have an example on my phone to share with you if you would like
- The first semester just ended, I will have more information about academic success later
- I have begun meeting with my Student Advisory Team, we are working on a variety of items including developing a feedback/evaluation of the principal by students and teachers
- We will continue working with our Instructional Framework
- Next school year we will have developed and begin implementing a no zero procedure to ensure that students are getting every option to gain the knowledge and skills they need without destroying their grades
- Also, we will rework a plan to involve exploratory classes during 8th period and time to learn which will work together with the no zero procedure

AD's report

- Big news: Dan Sturdevant is the Class B AD of the year
- Girls and Boys Basketball are at about mid-season with a great turn out
- Wrestling is approaching Divisionals and State
- We would like to ask the board to discuss and add one more paid assistant coach for football and one more for wrestling if numbers are over 24

Superintendent's Report

Date: January 17, 2017

Agenda Item: E-3

3a-Enrollment funding increase

The unanticipated increase in student enrollment allows the Jefferson High School District to solicit additional state funds to offset costs associated with the enrollment increase. The form has been completed and must be approved and voted on by the board to continue the process to receive the funds. The funds are placed in the district's general fund.

Recommendation:

Approve the process of asking for additional funds.

3b-Administrative in-service program

I have listed below the professional development opportunities at the administrative level and included a workshop conference that was voted on last year.

- 1.) National Secondary School Principals Conference – Philadelphia, PA. Mr. Liedle will be attending this national conference during July 2017.
- 2.) Montana Association of Secondary School Principals (MASSP) – Helena, MT. April 6-7, 2017 Mr. Liedle will be attending this conference.
- 3.) Olweus Conference- Palm Springs, CA, February 6-10, 2017, Mr. Michaud has agreed to become the trained coordinator for the Olweus Bullying Program that is being implemented at JHS. This program was agreed upon by the board, and costs for training will come from Metal Mines.

3c-Strategic Planning

A school wide strategic planning session will take place at JHS on Tuesday January 24, 2017 from 12:30-4:00. This is a continuation of the program facilitated by MTSBA in the fall and will now involve the entire JHS board, faculty, staff, administration, and students.

Information gathered from the fall meeting was used to implement a plan for a career center which is currently be constructed with the financial assistance of federal vocational rehabilitation funds. Room D111 will be the site of the career center.
