

## 2<sup>nd</sup> Grade Newsletter

### Math

Second grade math students will work on strategies to solve two-step word problems. They will also continue to use place value to decompose and compose numbers, write numbers in word form, expanded form, standard form, and base ten form.

### Language Arts

Students will know and use various text features such as captions, bold print, subheadings, glossaries, and indexes to locate key facts or information in text efficiently.

### Science

Second grade science students will research different animals to learn about their habitats, diet, and life span.

### Don't Forget!

May 23<sup>rd</sup> is our field trip to the Lazy 5 Ranch. The Lazy 5 Ranch is located in Mooresville, NC. Our students will be able to visit with over 750 different animals from 6 different continents. This will be a great experience for our staff and students!
