

Entering Union County Early College as a 10th Grade Student

Thank you for your interest in the Early College High School Program. Entering Union County Early College (UCEC) as a tenth grader is rigorous. Each year we have only a few slots open to rising 10th grade applicants. We have an enrollment cap for each grade level, therefore we only have slots for 10th graders if current 9th graders choose not to return. Competition is stiff; all who qualify might not be accepted.

To apply please submit an application, transcript, attendance summary, incident report, and both EOC and EOG scores. Applicants are required to make an appointment with South Piedmont Community College to take the College Placement Test (CPT). Final acceptance decisions will be made once all end-of-year documents have been reviewed and the CPT scores have been submitted.

If you are interested in attending Union County Early College, please complete and submit the application materials. If you have any questions about the application process, please contact 704-290-1565.

Steps for the Application Process: Application Deadline June 25, 2018

- a) Complete the parent and student portion of the application.
- b) Gather all requested documentations from current high school.
- c) Schedule an appointment with South Piedmont Community College to take the CPT.
- d) Submit application documents from current high school and CPT scores to UCEC.
- e) Wait to be contacted by email from UCEC for the next steps by the end of July.

Agreements and Signatures

I have answered all the questions on this application honestly. I understand that the Early College curriculum will be taught at the honors level of difficulty. High school activities such as sports, band, and ROTC will not be a part of the curriculum. I also understand that once a decision is made to attend Early College students will be asked to make a one year commitment.
