

All third grade students must TAKE and PASS the ELA-LBPA (Literacy Based Promotion Act) portion of the 3<sup>rd</sup> Grade MAAP (Mississippi Academic Assessment Program) to be promoted to the 4<sup>th</sup> grade. This is the portion of the MAAP used to assess each student's reading ability. This portion of the computer based assessment will be given to third graders at Batesville Intermediate School in the area of **LANGUAGE ARTS** from April 17 – April 20, 2018 and in the subject area of **MATH** from May 1-May 4, 2018.

Please encourage your child to read the test questions carefully and do his or her best on the test. This is a very important test. Remember, all third graders must PASS this test and have passing grades in each subject area to be promoted to the 4<sup>th</sup> grade.

The following testing schedule will be utilized for our third grade classes at Batesville Intermediate School. Please make sure that your child gets a good night's rest; is at school by 7:30 a.m. each day; eats a healthy breakfast; and wears his or her glasses, if needed, for all assessments.
