Crisis Intervention

(765) 742-0244 (24 hour hotline)

Provides free and confidential crisis intervention, suicide prevention, information, and referral services. Trained volunteers offer a supportive listening ear to callers or walk-ins. This means listening "actively" to people while they search for solutions to their problems. Provides appropriate and comprehensive referrals to other community services and support groups through an electronic database.

Teen Line

(765) 423-1872 (24 hour hotline)

Provides free and confidential listening ear to area teens about problems they want to discuss. Also provides referrals to area services and support groups.

Rape Survivor Advocacy & Prevention

(765) 742-0244 (24 hour line)

Provides trained female and male advocates to accompany survivors of rape/sexual assault to hospital emergency room, police station, or courtroom.

Advocates provide a listening ear, referrals, and information about procedures a rape survivor may go through at the hospital if they decide to prosecute. Does not provide transportation.

Calls are handled through the Crisis Center. A Crisis Center volunteer will assess the situation and decide if an advocate is required. If so, the caller must be willing to leave a name and phone number so the advocate can call them back and/or arrange where to meet them (at a hospital or police station). Advocates will not enter the home of anyone. Advocates can also be requested by local hospitals or police personnel through the Crisis Center.
