

SPANISH IV HONORS Suggested work
Contact me at jchomo@basdschools.org

If you want to get a jump start on Spanish IV Honors, you can work on the following quizlet sets. If you don't already have an account, I suggest you use your BASD username and password or join with Google! Once I know what class you will be in, I will ask you to join a specific Quizlet class. For now, you can search on quizlet.com for these four sets to practice. I suggest doing the flashcards and "learn" or "write."
