Academic Information

As part of the middle school philosophy, League Academy endeavors to develop within its students a desire and individual responsibility for learning. To promote academic excellence,

standards for academic performance are necessary. Therefore, all students are required to meet the following standards of academic performance.

Academic Grading Policy

A= 90-100

B= 80-89

C= 70-79

D= 60-69

F= 50-59

The School District of Greenville County complies with statewide grading requirements. Middle school students will receive a numeric grade.

The grading scale provides consistency across South Carolina. This is especially important for determining high school students' eligibility based on grade point ratio for college and for scholarships, including a state LIFE scholarship.

Attendance

South Carolina Law requires the regular attendance of all pupils. Greenville County Schools has adopted uniform rules to assure that students attend school regularly.

Students are counted present only when they are actually in school, on homebound instruction, or are present at an activity authorized by the school principal. The school year consists of 180 days. To receive credit, students must attend at least 85 days of each 90-day semester course and at least 170 days of each 180-day year course, as well as meet all minimum requirements for each course. Accrued students absences may not exceed ten (10) days during the school year. Any absence in excess of ten (10) may cause the student to lose credit for the year. Because 170 days are the minimum required by the state, the first ten (10) absences may be for any reason. All absences beginning with the eleventh (11th) day must be lawful and documented. A doctor's note is an example of a documented excused absence.

Lawful Absences

1. Absences caused by a student's own illness and whose attendance in school would endanger his or her health or the health of others. Verified by a statement from a physician. Absences for chronic or extended illness will be approved only when verified by a physician's statement.
2. Absences due to an illness or death in the student's immediate family verified by a statement from the parent.
3. Absences due to a recognized religious holiday of the student's faith when approved in advance. Such requests must be made to the principal in writing.
4. Absences due to activities that are approved in advance by the principal. This would include absences for extreme hardships. Such approval should be prearranged when possible.

Excuses for Absences Should:

1. Be dated and give date(s) of absence.
2. Be given to attendance clerk the day student returns.
3. Be written and signed by the parent or a physician.
4. Have a phone number where a parent can be reached for verification.

Make-Up Work

In order to receive full credit for make-up work, all work must be submitted within **five** school days, immediately following the absence. In cases of prolonged illness beyond five days, special consideration will be given. It is the responsibility of the students to arrange for make-up work. Arrangements may be made with the teacher to make-up assignments before or after school, and during advisory period thus ensuring students do not miss additional classroom instruction.

Early Dismissals

On the day a student needs to leave early, he/she should bring a note from a parent or guardian stating the reason for his/her dismissal, the phone number where parents can be reached, and the advisory teacher's name. This note must be signed by the parent and should be in the main office no later than 8:25 A.M. The parent or legal guardian must meet the student in the office to sign him/her out. Please bring a valid picture I.D. Early dismissals count as an absence in all classes missed. The last early dismissal time is 2:30 P.M. There will be no early dismissals during statewide testing or End-of-Course exams.

Tardies

School begins at 8:25 for all grades. Students not in first period at 8:25 are tardy. If a student arrives after 8:30, he/she must report to the office for an admittance slip to be admitted to class.

Students that are late to school or late to a class cause major disruptions to the school day for office personnel and classroom teachers.

- **Tardies to school:** All students are allowed three tardies to school per quarter without a referral. This allows for unusual circumstances such as an automobile accident, slow traffic, oversleeping, or flat tire. All other tardies, unless accompanied by a medical note, will be deemed unexcused. Persistent tardiness will be addressed by administration.

Benchmark Tests/Exams

All students will take benchmark tests at the end of each quarter to assess what they have learned during that quarter. Year-end exams are given in all high school credit classes and count as a major assessment in the corresponding academic quarter. End-of-course exams [EOC] for high school credit courses count 20% of the final grade.

Plagiarism

Presenting the work or ideas of others as one's own is plagiarism. Ideas or work taken from others—including written work, quoted or paraphrased; theories, statistics, or formulas; pictures, graphics, and other illustrative material—must be fully and properly acknowledged in students' written, visual, and oral presentations. Plagiarism is a serious offense at League Academy. Students who plagiarize the work of others will be subject to disciplinary action. Students that plagiarize will be expected to re-do the assignment in the timeline deemed appropriate by the teacher.

Report Cards

Report cards will be available to send home with students at the conclusion of Q1, Q2, and Q3. The final report card of the year, at the conclusion of Q4, will be mailed home or picked up by a parent.

General Information

Agendas

Students are given an agenda at the beginning of the year, which contains all of the student passes. Students are required to use the agenda throughout the year for planning and for leaving the classroom. If lost, students are required to purchase a new agenda in the school counseling office for \$5.00.

Book Bags

Students are encouraged to use book bags to transport their books and materials to and from school. However, in order to assist with organization and to provide a safer classroom environment, students are required to keep their book bags/nylon sports bags/large handbags in their lockers, until their last locker break.

Buying/Selling

The buying/selling of any goods while on school grounds is prohibited. Snacks and school supplies are available through the school store sponsored by the PTSA. Snacks can be purchased after school from the vending machines in the cafeteria and on the 8th grade hall.

Field Trips

Students on approved school field trips and approved school activities will not be considered absent from school, but must make up work missed. Students participating in field trips or any other school activity are expected to abide by the same policies as during a regular school day and will be expected to follow dress code procedures determined by the faculty. Students must have a signed field trip permission form before going on a field trip.

Access to Field Trips

- A teacher may not deny participation in a field trip as a consequence of an incident of misconduct. The principal may exclude a student from a field trip, if the period of a student's suspension covers the date(s) of the trip or the student's current pattern of behavior would disrupt the orderly execution of the trip and lessen its educational value for other students. The principal must approve all decisions to deny a student access to a field trip.
- Students who are excluded from field trips must be given appropriate assignments.
- All medications taken on field trips must have the appropriate field trip forms completed by a parent. **Medication must be brought to the nurse by a parent. Students may not bring medication on the bus.**
- Students will not be penalized academically for failure to participate in a field trip.

Office Hours

The school office will be open from 7:30 A.M. until 4:00 P.M. Monday through Friday. Exceptions are noted on the school district calendar. Bus students arriving early and/or staying late will be supervised. Students must be picked up from the school grounds by 4:00 each day.

Phone Messages

Students are expected to make all daily school and after school arrangements, prior to coming to school each day. Messages should be kept to a minimum. Emergency messages that must be communicated to students during the school day will be taken and written down by the school receptionist. These students will be called to the office at the end of the day to pick up their messages. Students will only be allowed to call home with a pass from a teacher. If a student has a change in transportation, parents must send in a written note to the front office.

League Academy of Communication Arts Dismissal Plan

Bus Riders

Students that ride the bus will be called directly from classrooms to the bus loop as busses arrive. They will be announced over the intercom at the end of the daily announcements.

Walkers

Walkers are considered to be any student who is walking off campus—even to meet a car on the street. Car riders are considered to be those students who are picked up from the carline. Bike riders should use the walkways. Do not ride along the driveways or ride bikes on the sidewalk when traffic is heavy. Bikes must also be secured daily to the rack provided at the front of the school. All walkers should use the walkways. Running, horseplay, skateboards and rollerblades are prohibited.

Car Riders

League Academy utilizes the Carline Monitor System. Parents are assigned a number. Each day a person enters that number into the system and the students can see on their teacher's promethean board that their ride is ready to pick them up. At that time, students are released to go to the carline. Car riders should load and unload in the carline or designated pick-up areas only. For safety reasons, students may not be dropped off/picked up in the faculty parking lot, bus loop, or any other non-designated pick-up area. To insure student safety, law enforcement may be contacted in instances of violations. Students arriving at school before 8:15 AM must report to the designated holding area. No students may be dropped off before 7:30 AM, as there is no supervision and it presents a safety hazard. Students should be picked up no later than 4:00 PM. Habitual offenders may be assigned to a bus for home transportation.

Technology

Children's Online Privacy Protection Act (COPPA) Internet Permission Form - COPPA requires verifiable parental consent before a child under the age of 13 can access a commercial web site or use a commercial mobile/tablet application (app). The law permits school districts to obtain this consent thereby eliminating the need for each website operator or app owner to request consent from each parent which is difficult to do in a classroom setting. This form will be sent home in the first day of school package for parent signature and is required if the student is to access the Internet at school.

The District takes reasonable precautions by using filtering software to keep inappropriate Internet sites and email out of the classroom. The District does not supervise individual email accounts, a Parent Portal is available that permits the supervision of your child's email account.

Please note that parents may choose for their child not to have access to the Internet at school; however, students who do not have access to the Internet will not be able to access email or web based programs that teachers may be using in class. Your child has agreed to the terms and conditions of this document upon acceptance of the school district handbook.

GCS provides computer, network, e-mail, and Internet access to individuals as part of the learning environment. The use of these resources is a privilege and not a right. While these systems have the power to deliver a vast number of resources to classrooms and enhance education, their effectiveness depends on the responsible and ethical use by every individual. Violation of this administrative rule will result in the loss of this privilege and may result in

discipline or litigation in accordance with board policy and state and federal law. The guidelines below supply students with guidance of acceptable use of the district's information technology resources, including but not limited to:

1. The internet, intranet, e-mail, portal;
2. District assigned computing devices such as personal electronic devices, laptops, desktops and portable storage; and
3. The District's network and supporting systems and data transmitted by and stored on these systems.

Students are prohibited from:

1. The use of school computers for commercial purposes.
2. The use of obscene, bullying, profane, lewd, threatening, disrespectful, or gang related language or symbols.
3. The bypass or attempt to bypass any of the District's security or content filtering safeguards.
4. Allowing another person to use the computer under your District login.
5. Adding, modifying, repairing, reconfiguring or otherwise tampering with any device on the network infrastructure including, but not limited to: wireless network devices, computers, printers, servers, cabling, switches/hubs, routers, etc.
6. Unauthorized access, overloading, more commonly known as Distributed Denial of Service or Denial of Service, or use, or attempted unauthorized access or use of District information systems.
7. Destroying or tampering with any computer equipment or software.
8. The use of any "hacking tools" that can be used for "computer hacking", as defined in the *South Carolina Computer Crime Act*, may not be possessed on school property, on any District premise, or run or loaded on any District system.
9. The use of school computers for illegal activities including but not limited to planting viruses, hacking, or attempted unauthorized access to any system.
10. Violating any state or federal law or regulation, board policy or administrative rule.

Agreement of Use:

- Students, parents and guardians agree that GCS computer equipment must be handled with care and respect. Willful destruction of any computer equipment or software will be considered vandalism, and may warrant the involvement of local law officials.
- Any written text, graphics or executable files created, downloaded, displayed, or exchanged with another student or teacher must be for education-related purposes only.
- Follow copyright laws at all times – See District copyright policies for more information. If you have questions about the legality of using software, text, graphics, or music you find online, ask your teacher or media specialist for guidance.
- Keep your password secret – You will be held responsible for all computer activities associated with your password. For example, if you share your password with your

friend and he/she signs on as you and breaks one of the rules outlined above, you may be held responsible.

- All online communication must be polite and not threatening or offensive in any way. All students in grades 3-12 are issued email accounts. The District has the right to review any email sent or received using District equipment and email accounts. Email accounts should be used for educational and district purposes only.

Personal Electronic Safety:

Technology is constantly changing and evolving. Due to the nature of the Internet, online communications, and evolving technology, the District cannot ensure or guarantee the absolute safety of students during the use of technology, including email and the Internet. Parents and students should contact the school immediately with any concerns related to the use of technology.

- Students will not post or email personal contact information about themselves or other people unless it is in conjunction with a specific teacher-approved assignment or approved college/career communication. Never give out your phone number, social security number, full name, age, home address, or any other personal information.
- Students will not agree to meet with someone they have met online without their parent/guardian's approval.
- Students will promptly disclose to an administrator, teacher, or other school employee any message they receive that is inappropriate or makes them feel uncomfortable.
- Home directories are provided to students for educational related work. Students should not store personal or non-school related work in home directories. The District reserves the right to review the contents of a student's home directory.

The District may, for a legitimate reason, perform the following:

- Obtain emails sent or received on District email.
- Monitor an individual's use on the District's systems.
- Confiscate and/or search District-owned software or equipment.
- The District may confiscate and search personal electronic devices in accordance with *New Jersey v. T.L.O.* and applicable law.

School Visitor and Volunteer Guidelines

Greenville County Schools (GCS), in an effort to ensure the safety of all of our students, is implementing additional security checks for school volunteers. Effective immediately, all volunteers must submit an application to the school and receive clearance from the district before interacting with children in the school or chaperoning any school field trip. Volunteers are now identified by two different categories: Level I or Level II. Please review the details below:

Level I—This level requires the presence and supervision of a GCS employee at all times.

Level I volunteers must have a National Sex Offender Registry check run every time they volunteer at the school (this is the current process each time you check into a school and/or district office). Level I volunteers may volunteer in classrooms, work in the Media Center, and participate in school activities on campus as long as staff members are present.

Level I application process:

- Complete the Volunteer Application Form checking the box for Level I on the left side of the form.
- The applicant prints the completed Volunteer Application Form and returns it in person to the main office of the school. Applicants must present a photo identification and the information will be entered into the system.
- Level I volunteers must sign in each time they volunteer. Photo identification must be presented each time for verification.

Level II—*This level allows interaction with students without a GCS employee present.*

Level II volunteers must have a National Sex Offender Registry check run every time they volunteer at the school as well as an annual criminal background check. **Chaperones for field trips are required to be a Level II volunteer, regardless of the destination.**

Level II application process:

- Complete the Volunteer Application Form, checking the box for Level II on the right side of the form.
- The applicant must also click on the link <https://gcsd-is.Quickapp.pro/> on the application and complete the required information for the background check.
- The applicant prints the completed Volunteer Application Form and returns it in person to the main office of the school. Applicants must present a photo identification, and the information will be submitted to the district office by school personnel.
- Applicants will be notified of the approval by school personnel. This process will only need to be completed once a school year for level II access. Schools are not provided details of the check other than approved or denied to assure confidentiality of the applicants. This process could take up to two weeks to complete.
- Level II volunteers must sign in each time they volunteer. Photo identification must be presented each time for verification.

Bullying, Discrimination, Harassment and Intimidation

League Academy and Greenville County Schools are committed to fostering an environment that both promotes learning and prevents disruptions in the educational process. Accordingly, the District prohibits all forms of bullying, discrimination, harassment, or intimidation. As provided in Board Policy and Administrative Rule JCDAG, students and parents may file a report

of bullying, discrimination, harassment or intimidation by other students, employees of the District, or third parties involved in the school setting.

All reports should be filed with the principal or his or her designee. A student's parent may also file reports. If the allegation is against the school's administration, the student or parent should file a report directly with the District's Parent Resource Representative. (See Policy JA for contact information). Anonymous reports may be made, but those reports must provide the District with adequate information in order to begin an investigation.

Investigations and Consequences

All reports will be investigated promptly, thoroughly, and confidentially. The investigation shall include appropriate steps to determine what occurred and to take actions reasonably calculated to end the harassment, intimidation or bullying, and prevent such misconduct from occurring again. The student and his/her parent shall be informed of the results of the investigation and shall be advised how to report any subsequent problems. However, any discipline of students or staff shall remain confidential.

If the investigation determines that inappropriate conduct has occurred, the administration shall take reasonable, timely, age-appropriate, and effective corrective action. Examples of corrective action include, but are not limited to, disciplinary action against the aggressor, up to and including termination of an employee or expulsion of a student.

The District prohibits retaliation or reprisal in any form against a student or employee who has filed a report. The District also prohibits any person from falsely accusing another person.

Appeals

Notification of the outcome of the investigation will be issued in writing to the complainant and the complainant will be informed of the right to appeal. An appeal related to disability discrimination or harassment should be made to the District's 504 Coordinator. An appeal regarding color, race, or national origin should be made to the District's Title VI Coordinator. An appeal regarding sexual harassment, or gender discrimination should be made to the District's Title IX Coordinator. (See Policy JA for contact information). A complainant may then appeal the decision of the coordinator to the Superintendent or his or her designee.

For a complete copy of the District's Policy, Administrative Rule, and report form referenced above, please see the online link below to the Greenville County Schools Board Policies and Administrative Rules. You may also receive a copy of Policy JCDAG, Administrative Rule JCDAG, or the report form from your school upon request.

Discipline Policy

In order to maintain the tradition of academic excellence, League Academy will be a safe and orderly environment where all students will have the opportunity to learn. Acts that impair the ability of the school staff, teachers, and administrators to maintain a safe school environment

will result in consequences. The discipline policy of League Academy will reflect the Code of Conduct that has been approved by the Greenville County School Board. Principals will reserve the right to adjust consequences based on the severity of the incident. However, the consequences below will represent the minimum consequence for particular offenses.

Potential Consequences

Lunch Detention (LD) - Assigned by the classroom teacher as an intermediary step to a disciplinary referral. Students should heed this strong warning and modify the behavior so as to avoid a disciplinary referral.

Principal Detention (PD) - Assigned by an administrator as a result of a disciplinary referral. Principal Detention is held every Tuesday and Thursday from 3:25-4:00.

In-School Suspension (ISS) - Assigned by an administrator. Students will report to the ISS room and remain the entire school day (including lunch). Student will be given assignments from their classes to complete. Students in ISS are not allowed to talk, sleep, or work on computers (unless for school purposes). Disruptions in ISS will automatically result in students being sent home as an OSS consequence. ISS does not count against student attendance.

Out of School Suspension (OSS) - Students will not be allowed on campus during OSS. This includes times during the school day and during after school sporting events, dances, talent shows, etc. Additionally, students are not allowed at any other GCS event while they are suspended from school.

Expulsion (EXP) - Expulsion from school in most cases means the removal of a student from school and the cessation of educational services for the remainder of the school year. School administration may make a recommendation for expulsion; however, final decisions are made by a school board representative.

Referral to Law Enforcement (RLE) - In cases of criminal misconduct, League Academy will notify law enforcement. Law enforcement decisions/consequences are separate from school-based consequences and will have no impact on the consequences imposed by the school.

Arrival

The school day for League Academy will be from 8:25 to 3:25.

Students may enter the school as early as 7:30 a.m. Breakfast will be served each morning beginning at 7:30 and is provided free to all students.

Each grade level has a designated and supervised holding area for students. Students are expected to report to this area immediately after having breakfast.

Students are expected to be seated in their first period class when it begins at 8:25. A tardy bell will sound at 8:25.

Dismissal

Afternoon announcements and dismissals will begin at approximately 3:25 p.m. All students must remain in their 8th period classes until their specific method of transportation is called over the intercom.

- Car riders will be dismissed through the dismissal app.
- Bus riders will be dismissed by individual bus numbers.
- Walkers will be dismissed by grade level.
- After-school programs report to designated area when called.
- Student athletes report to designated area when called.

Until dismissed, all students must remain in their 8th period classrooms.

When dismissed, students must move directly to the front of the school to exit the building.

With the exception of students dismissed to the front of the building, no students should be in the hallways, stairwells or other areas of the building outside the designated classroom.

During Dismissal, students are expected to remain seated and maintain a reasonable indoor volume. When announcements are being made, students must be silent so that announcements can be heard. Teachers are expected to keep their students in their classrooms until students are dismissed. Students should not be roaming the halls or going to other parts of the building during dismissal.

Personal Electronic Devices

With 1-to-1 access to Chromebooks, students will no longer need personal devices at school.

Students are not permitted to possess personal electronic devices, including cell phones, during the school day.

- All personal electronic devices, including cell phones, should be turned off and **stored in a locked locker** between the 8:25 a.m. bell and the student's last locker break.
- After the last locker break, they should remain turned off and **stored in a backpack**.
- Smart watches may be worn during the day, but are only permitted to be used to keep time.
- To keep all students safe while being supervised, **students are not permitted to wear headphones/earbuds unless directed to do so by a teacher**. This includes **arrival, dismissal and transitions** between classes.

Health Room

League Academy has a full-time nurse on site to remove health-related barriers to the learning process and to promote wellness.

- Students are allowed to visit the health room after obtaining a health room pass from their teacher.
- All health related phone calls to parents should be made in the health room.
- Dismissals due to illness must first be seen in the health room or they will be considered unexcused.

Notes for Parents

- Please make sure emergency phone numbers are updated with the health room if changes occur during the year.
- The use of crutches requires a note from your doctor stating the number of days they need to be used.
- Parents are required to bring medications into the school in their original container and fill out the appropriate form. **This includes cough drops.**
- If a student is ill and has a fever, the student must be fever free for 24 hours without the use of fever reducing medications, before returning to school.
- If a student wears contacts, parents are responsible for bringing in a small bottle of contact solution to the health room for use during school hours if needed.
- When a prescription medication is required to be used during school hours, the Parent/Physician form for prescription medication must be submitted at the same time the medication is submitted to the health room.
- Students who are going to self-administer a medication, such as an inhaler or an epi-pen, must obtain signed permission from the parent and physician. Additional back-up medications are strongly encouraged to be kept in the health room with the nurse. These “self-administer medications” must have the proof of permission taped to the medication. This may be obtained from the health room when all forms have been turned in.
