NPS Student Center

EST. 2008

Marion A. Bolden Student Center
230 Broadway, Newark, NJ

GREETINGS!

We are excited to share with you the wonderful opportunities that await you at your Newark Public Schools Marion A. Bolden Student Center. Located in the North ward, across from Technology High School, this 3 floor Student Center is yours to explore with a great variety of workshops, special events, meeting spaces, performances, field trips and socialization.

Every day that school is open from September 30-May 31, the Bolden Student Center is a place where you can come afterschool, do homework, access tutoring, afterschool meals and snacks and then take workshops of your interest. Perhaps you want to play video games, basketball or make arts and crafts, you can do that here too.

Opened to students in 2008, the Bolden Student Center is one of a kind, a place for all Newark High School students to gather in spaces such as the Media Center, Gaming Room, Dance Studio, Recording Studio, TV Studio or Black Box Theatre.

If you want to create something, explore a topic or get assistance with looking for a job or preparing for college, the staff at the Bolden Student Center are here to support you.

Please contact us directly or speak to your school's counselor to assist you with getting here. We have buses from every Newark Public Schools High School as well as transportation home at the end of the program. Our doors are open for you! We look forward to having you here.

Best wishes for a wonderful school year.

Sincerely,
The Bolden Center Staff

DATES/HOURS

The Bolden Student Center is open from school dismissal-6 PM, Monday-Friday from September 30-May 31 We are not open on early dismissal days or emergency school closings.

The Bolden Student Center operates on a 3 cycle schedule.

SEP 30-DEC 20, 2019

JAN 6-MAR 27, 2020

MAR 30-MAY 29, 2020

S.T.E.M. WORKSHOPS

Technology and Design with Liberty Science Center Tuesdays

The Tech and Design program celebrate and encourage the creative, curious, and inventive spirit that all students have. Students will investigate technology and design principles to identify solutions and create dynamic projects.

Forensics with Liberty Science Center Thursdays

The Forensic Detective program asks students to uncover, identify and individualize potential evidence. Students in grades 9 through 12 will explore the diverse career paths of forensic science while investigating the real life application.

COLLEGE & CAREER WORKSHOPS

STRIVE Inc. – Right Track Enrichment Program (RTE) Thursdays

STRIVEs RTE program is an individualized career exploration and development program for high school students. Students receive assistance with planning their career; learn about and apply for college; participate in SAT prep, are connected to pre-college programs; and receive financial aid supports and resources.

Email: RTE@strivecares.org for questions about the program.

ARTS WORKSHOPS

Visual Arts with Ms. Andrece Brady

Mondays and Wednesdays

Are you different? Are you creative? Do you like to draw? Learn how to draw, paint, explore art mediums of printmaking, sculpture and installation art. Build your portfolio and brand.

Advantage Arts with Drew University

Mondays and Wednesdays

Do you appreciate Art, Music, or the Performing Arts? Can you sing, dance, act or create in any artistic way? Are you interested in exploring the theatrical world? Then AdvantageArts is the program for YOU! AdvntageArts exposes students to the fundamentals of Acting and the Theatre world by trained actors and professionals in the industry.

Hip Hop Dance with NJPAC

Thursdays

Students with all abilities & levels of training will thrive in learning classic Hip Hop dance styles from Breaking, Popping and Lockin to today's trends. Students will learn and create self titled choreography and experience improvisational freestyle dance cyphers.

Devised Theatre with NJPAC

Tuesdays

Hone your acting, playwriting and cooperation skills as you create an original theater piece. In devised theater, the script originates from a collaborative, improvisational process, which you'll be led through by a professional teaching artist.

The Score with Game Time

Mondays

Learn to make beats and tracks for video games using audio technology.

Hip Hop Music Production with NJPAC

Wednesdays and Fridays

Learn beat making with an emphasis on drums/percussion by using music production programs. Students beats accompany movement, imagery, vocals, spoken word, rap recordings or live performance.

WORKSHOPS

All workshops are from 4-5:30. Students may attend 1 or more days per week. Students may choose multiple workshops. Workshops are subject to change each session.
