## Meet Marie. . . .

Marie Raley is the owner of Laine Moire Floral Design. Early on in life, she learned to appreciate the natural aesthetics and beauty that flowers bring into our lives. As a child, her parent's and grandparent's gardens were a constant source of inspiration for grapevine wreaths and hand picked bouquets. Today, she has her own gardens and children to take on nature walks.

Marie believes that we all benefit from connecting with the beauty of nature and is happy to have the opportunity teach her community about the joys of floral arranging. Marie loves being able to provide a comfortable setting for all skill levels to bring the beauty of nature into our lives and homes in these practical, hands-on classes.

Check out Marie's adult classes on this page and a new parent and child class in our Youth Enrichment section on page 38.

## **New! Rising Strong™: The Reckoning. The Rumble. The Revolution. A workshop based on the research of Dr. Brené Brown**

Rising Strong™ is a cognitive-behavioral practice which teaches us what it takes to get back up, and how owning our stories of struggle gives us the power to write a daring new chapter. Struggle can be our greatest call to courage and the clearest path to a wholehearted life.

In this experiential workshop, Dr. Carli Kody will guide you through the Rising Strong™ practice, based on the research of Dr. Brené Brown and her New York Times best-selling book Rising Strong. Dr. Kody will teach participants how to move through the three acts of the Rising Strong™ process: Act 1- the reckoning, Act 2 - the rumble, and Act 3 – the revolution. Workshop participants will learn fundamental skills to examine their personal narratives about falls, mistakes and challenges in their personal and professional lives along with ways to cultivate mindfulness, resilience, and grit.

Leave equipped with the practical cognitive and behavioral skills needed to rise strong in the face of adversity in our lives. Workshop content will include individual reflection, small and large group discussion, and Brené Brown's videos, which are part of the Rising Strong™ curriculum. You are strongly encouraged to read Dr. Brené Brown's book, Rising Strong, in preparation for the workshop.

Dr. Kody is a licensed psychologist in private practice and a Certified Daring Way™ Facilitator (CDWF). Her professional background includes over 19 years of counseling, teaching and research experience. Carli has been implementing Brené Brown's research in educational and clinical settings since 2011. Carli is also a Mindful Self-Compassion (MSC) Teacher-in-Training and teaches mindfulness and self-compassion classes.

## Early Childhood Screening

*Required before Kindergarten  
Best completed at age 3*

Early Childhood Screening is a free, simple check of your child's growth and development. It may detect possible health or learning concerns that can result in help and support before kindergarten. Parents accompany their child through the approximately 60 minute screening process that includes: height, weight, vision, hearing, immunization review, and motor and cognitive activities. At the end of the screening activities, a teacher reviews the information collected with parents. Early Childhood Screening is not a test; it is a tool to help identify concerns in order that children and parents can access important support prior to kindergarten.

## Meet Ginger . . . . .

Ginger Skaja is a Minnetonka District parent and Minnetonka Preschool teacher. She is beginning her second year at MCEC after enjoying time at home with her young boys following teaching in the elementary schools. She enjoys the collaboration with her fellow Minnetonka Preschool Explorers (MPE) teachers.

This past year, she and her Junior Explorers co-teacher Lily McDermott, took their MPE 4s class on an extensive art exploration of famous abstract painters and sculptors. The children grew immensely in language, creativity and collaboration with their peers.

Her youngest son, Reid, enjoys Minnetonka Preschool and Junior Explorers wrap-around childcare. He loves singing, dramatic play, exploring in the Outdoor Learning Center and being with his loving teachers and kind friends.

### STEM: Science Discovery

#### 3-5 years | non-separating

Explore fun science topics with your child during these afternoon or evening parent + child classes! All classes align with elementary life science, earth science, physical science and/or nature of science and engineering standards. \*The fee is \$19 per class, per child—or register for all six classes at once for \$99 per child. Sibling care is not available.

## Minnetonka Preschool

### Minnetonka Preschool

**Ages 2½-5**

Discover a place where children are inspired to wonder, create, learn, and dream. At Minnetonka Preschool, a love of learning is ignited by providing children with opportunities to learn about the world around them through hands-on exploration. Research-based curriculum focuses on social/emotional and cognitive development, as well as literacy, language, math and motor skills. Minnetonka Preschool is part of Minnetonka Public Schools and is committed to world-class, child-centered excellence.

*\*A non-refundable registration fee of \$75 and non-refundable first month's tuition are due at the time of registration.*

Limited enrollment is available in our 2019-2020 preschool classes. Please visit [minnetonka.ce.eleyo.com](http://minnetonka.ce.eleyo.com) to view current openings. Register to be added to the waitlist. Preschool registration for the 2020-21 school year begins on 1/29/2020.

### Lunch Bunch - Extend the Preschool Day

Extend your child's day and provide a transition time for morning and afternoon enrichment programming. Parents send a bag lunch with their child. Children must be enrolled in Minnetonka Preschool in order to participate in Lunch Bunch.

### Preschool Parent Talk ☺

Led by a licensed parent educator, discuss topics relevant to you and other preschool parents. Support each other through this adult-only class.

### Back to "School-itis"

The start of a new school year is often full of new beginnings, new schools, schedules and budding relationships. It is a time of opportunity, growth and uncertainty, which can lead to increased anxiety and worry in our children. Learn about ways we can create new routines, increase confidence and security, and build upon small successes, while helping our children develop coping strategies to deal with their fears of a new school year. \*Call 952-401-6812 for scholarship information.

## Junior Explorers (Childcare)

Ages 3-5

Junior Explorers is sponsored through Minnetonka Community Education and offers a flexible, high-quality childcare program for preschool-aged children.

Whether before or after preschool, or all day childcare, Junior Explorers gives children a place to learn and play with friends. Activities include listening to stories, creating art and science projects and playing outdoors. Our highly qualified staff ensure all activities are age-appropriate and provide a balance between structured and non-structured play.

Junior Explorers is open from 6:30 am to 6 pm each weekday and requires a minimum of two days of care per week. Please note that children must be toilet trained to participate in Junior Explorers.

*Note: Our 3-year-old program for the 2019-20 school year is currently full with a waiting list.*

## Minnetonka Preschool Explorers (MPE)

We have combined Minnetonka Preschool and Junior Explorers childcare into one full-day package! Call 952-401-6838 for availability.

## Wrap Community Ed activities into your child's day

Minnetonka Community Education offers a variety of enrichment and recreational activities that can be wrapped into your child's day at the Minnetonka Community Education Center (MCEC). Your child can attend preschool, take a dance, music or language class and go to Junior Explorers childcare— all between drop-off and pick-up! Our staff will accompany children between each activity to ensure a safe, supervised transition.

### Destination Imagination

#### Grades 3-8

Teams of 5-7 members work together and unleash their imaginations to tackle one of five crazy challenges. Teams creatively present their solutions in a performance at a regional tournament.

Destination Imagination (DI) is the world's largest creative problem-solving competition for youth, with thousands of participants across the U.S. and around the world. DI teams typically meet once each week from November through mid-March. Each team is managed by a parent volunteer and sets their own meeting schedule. Minnetonka DI teams consistently take top honors at every level! Participants learn to think on their feet, develop collaboration and leadership skills and have fun!

Please join us Monday, Oct. 7 at 6 pm at MCEC for an informational meeting.

### FIRST® LEGO® League

#### Ages 8-14

FIRST® LEGO® League is an international LEGO® program in which children work in teams to design, build and program a robot to complete missions. FLL challenges kids to think like scientists and engineers. Teams will build, test and program an autonomous robot using LEGO MINDSTORMS® to solve a set of missions in the Robot Game. They will also choose and solve a real-world question in the Project. Season begins in September.

### FIRST® Tech Challenge

#### Grades 7-8

Teams of students collaborate to build and program a robot that competes on a 12' by 12' field. Each year the challenge is designed to encourage students to think critically and expand their knowledge of the engineering process. Season begins in September.

## Classroom Instruction

Our program includes 30 hours of classroom instruction, as required by law, in 10, three-hour lessons. Students can start classes at age 14½, obtain their permit at age 15 and license at age 16. The classroom curriculum includes study guides, PowerPoint instruction, videos, discussion, worksheets and interactive software. Classes focus on critical behaviors and attitudes common to teen drivers and prepare them for the Minnesota Permit Exam.

## Class Schedule

Classes meet Monday-Thursday in room 1410 at MHS, from 2:50-5:50 pm. Missed lessons can be made up during a future class session. Students do not need to register for make up classes.

## Fee

\$399 (Includes classroom instruction and six hours of behind-the-wheel instruction.)

## Behind-the-Wheel Instruction

Students must complete six hours of driving lessons with a Safeway instructor before taking the Minnesota Road Exam. Lessons are divided into three two-hour private lessons with a responsible, professional Safeway driving instructor. Students can be picked up from and dropped off at home, school or work. Safeway offers convenient online scheduling for behind-the-wheel instruction. The lessons are given on actual city streets, highways and freeways. It is recommended that students take their first lesson 6-8 weeks after receiving their permit. Lessons should be at least 30 days apart allowing for practice with parents between lessons and can be scheduled with Safeway Driving School.

## Parent Involvement

Safeway offers detailed information on its website to assist parents with understanding Minnesota laws and requirements for student drivers. Monthly parent information classes are offered online at [SafewayDrivingSchool.com](http://SafewayDrivingSchool.com).

### Youth Learn-to-Swim Levels

#### Greenhorn Levels 1-2

**Ages 6 months to 3 years + parent**

The Greenhorn levels provide a structured learning environment in which children become comfortable in the water while accompanied by their parent(s). Instructors use fun activities to help children gain confidence and make the water an enjoyable place for a new swimmer.

#### Sailor Levels 1-3

**Ages 3 to 5**

Sailor classes are fun and packed with learning swimming fundamentals. Swimmers will learn to be confident, have fun and love swimming!

#### Skipper Levels 1-5

**Ages 5 to 7**

Skipper classes cover all ability levels from inexperienced swimmers to swimmers looking to refine strokes. Skipper levels work on fun and safe fundamentals in order to create a love for swimming.

#### Admiral Levels 1-3

**Ages 7 to 13**

Admiral classes cover all ability levels from inexperienced swimmers to swimmers looking for stroke refinement. Admirals focus on proper swimming technique for a shorter distance with a lot of repetitions and feedback. This in turn will create more endurance and more effective swimming.

#### Rec Team

**Ages 5 & up**

Is your swimmer ready to try out a fun, team style learning environment? Rec Team practices are run as a team style learning environment with multiple swimmers per lane, a coach on deck and coaches in the water as needed. Rec Team participants will work on age specific skills and drills in a team atmosphere. A fun intra-squad meet will be held at the end of the season. This meet will give participants the chance to become exposed to the fun and excitement of a swim meet environment as well as show off the skill they've learn to family and friends. Note: to read more about each age group's prerequisites and what each age group will learn visit our website, [minnetonkaaquatics.org](http://minnetonkaaquatics.org).

*Note: Participants must be comfortable in deep water and be able to swim 25 yards freestyle and 25 yards backstroke unassisted.*

### Learn-to-Dive Lessons

#### Minnetonka Blues- Non competitive

**Ages 5-11**

If diving is a new sport for you or you have some experience but have not mastered basic dives in each direction, this is the right group for you.

- You will be taught the basic movements and fundamentals for take offs and entries.
- Learn basic dives in all directions from the side of the pool as well as on the 1 meter springboard.
- All athletes should remember that a willingness to try and be coachable is the only requirement to be a part of this fun group.

#### Minnetonka Dive Club (MDC) - Competitive Groups

If you have participated in a "Learn to Dive" class or have competed in a high school program, Minnetonka Dive Club Competitive Groups is right for you. Being that each diver will come in with a unique skill set, please look at the basic descriptors below to place your athlete correctly.

#### Anchors

**Ages 13 and under**

- Improve fundamental take off and entry skills.
- Learn 3-4 different dives to meet competition requirements.
- Continue to progress to dives in each category.
- Prepare for local and regional competitions.

#### Skippers

**Ages 14 and up**

- Improve fundamental skills and dives in each direction.
- Progress to more complex dives in each category.
- Prepare for local and regional competitions.
- Introduce athletes to high school dive requirements.

#### High School Group/Varsity Group

- Focus on the 1-meter springboard and preparation for competition.
- Divers will look to improve on height, distance and degree of difficulty within their dive list(s).
- Welcome to collegiate divers interested in being trained over the summer.

**Don't let the cost of lessons keep you from participating! Contact Aimee for information on scholarships, [aimee.sinkler@minnetonkaschools.org](mailto:aimee.sinkler@minnetonkaschools.org)**

# MCE Staff

**Cancellation Notice:** Participants will be notified if there is a change in the date/ location of the class or if the class is canceled. MCE confirms registrations via email with participants who share their email addresses during the registration process.

**Checks with insufficient funds, declined debit cards, credit cards and ACH payments:** All returned checks, declined or invalid credit cards and ACH payments will be charged a \$15 fee.

**Refund Policy:** Full refunds are given when MCE cancels a class. Unless otherwise noted online, refunds (less a \$10 cancellation fee), will be given when a participant cancels a registration at least five business days before the start date of the class. Partial refunds will be considered if injury or serious illness occurs. (Please note: Minnetonka Preschool, ECFE, Explorers Club, Basketball, Ski and Snowboard Club, TdT, Firecracker, Mud Run, Youth Tri, Aquatics and other programs have separate refund policies. See our website for details.)

**Data Privacy:** Your privacy is important to us. The registration information you provide to MCE is considered private data under state and federal law. We use the information you provide for the purposes of administering the activity and to contact you about upcoming activities. While you may choose to withhold this information, there may be consequences that could limit the distribution of information to the participant (e.g., no team roster or class list). Access to your contact information is limited to individuals involved in the activity.

**Participation Waiver:** I hereby release Minnetonka Community Ed and any other organizations, cities or individuals associated with this program from any responsibility for injuries or damages that I may sustain as a result of my participation.

**Photo Consent:** Unless you notify MCE, photos taken within MCE classes, programs, activities, and events may be included in MCE publications and websites.
