HIGH SCHOOL

School Profile

2019-20

Community

Homestead High School is a comprehensive, four-year high school in the Mequon-Thiensville School District, located approximately 13 miles north of Metropolitan Milwaukee in the state of Wisconsin. The district serves approximately 3,700 students and their families in a community that embraces world-class learning opportunities and rich athletic, arts and co-curricular offerings. Because approximately 90 percent of students are college-bound, college preparatory classes are strongly emphasized.

Academics

Homestead High School provides students with a top-notch college preparatory education. The combined efforts of Homestead's students, faculty, staff, and administration produce exceptional results.

In recent years, Homestead has been named a U.S. Department of Education Blue Ribbon School, an AVID National Demonstration School, a Red Quill Award winner by the ACT Midwest Region and a multi-year Advanced Placement Honor Roll designee by the College Board. Homestead is one of only two high schools in the state to achieve the status of 'Significantly Exceeds Expectations' each year that the Wisconsin Department of Public Instruction has released School Report Cards.

Co-Curricular Opportunities

With a wide range of athletic teams, clubs and activities, Homestead affords all students the chance to feel involved in the school and invested in their high school experience. Opportunities for involvement beyond the classroom include:

- 28 varsity, interscholastic sports stressing participation and excellence, and 11 no-cut sports, providing opportunities for students of diverse skill sets. Homestead regularly finishes in the top five of all large schools in Wisconsin in cumulative athletic rankings.
- Award-winning arts programs in visual art, drama, and music. Student artists regularly receive recognition in contests, competitions and showcase events.

CLASS OF 2019

Post High School Plans

Approximately 92% of Homestead's Class of 2019 enrolled in college. Of the Class of 2019, 85% enrolled in four-year bachelor degree programs and 7% enrolled in two-year associate degree or technical programs. Colleges and universities accepting one or more of the Class of 2019 are listed below.

The University of Akron
The University of Alabama
Alverno College
American University
Arizona State University
The University of Arizona
Auburn University
Augustana University (SD)
Baylor University

Goucher College

School Profile

Counseling

The Counseling Department at Homestead embraces the school's mission to equip all students with transferrable skills, promote academic independence, foster social responsibility and inspire a passion for learning.

Professional counselors implement the 9-12 comprehensive school counseling program by advocating for and collaborating with students to promote their success. The early years of high school focus on skill building, goal-setting and talent exploration. As students transition to their junior and senior years, the focus shifts to include post-secondary planning related to the career and college search.

Academic Calendar

Homestead operates on a five-period trimester schedule. The academic year consists of three trimesters of study, each consisting of approximately 60 days and ending with a period of two days for final examinations. In 2019-20, the first trimester runs from September 3 to November 26. Student mid-year reports and transcripts are released to colleges during the last week of December. The second trimester begins on December 3 and runs through March 12. The third trimester begins on March 16 and ends on June 11. Graduation is on June 14, 2020.

2019-20 Student Enrollment

As of September 1, 2019

Senior:	347
Total Student Body:	1,320

ACT Data

Class of 2019

All juniors enrolled in a Wisconsin public high school are required to complete the ACT as part of the state's assessment suite. As such, nearly 100 percent of Homestead students take the ACT. Homestead's overall composite score for the Class of 2019 was 24.9.

Class Rank

Homestead students are not ranked. Transcripts include the student's weighted and unweighted grade point averages.
