QUESTION: Do I need to complete the training before submittal? The link listing upcoming training is not working. Are there any trainings soon?

ANSWER: Yes, the training, and minimum qualifications #2-6 and #9 should be attained/completed before submitting a proposal.

The Fall 2019 STI trainings have been completed, so that's why the link is no longer working on the website. We will be developing our Spring 2020 schedule within the next few weeks; it will be put on the website once finalized, and trainings will likely begin in mid-March.
