2020-2021 HCMS Summer Reading Booklist

Students: Please select a minimum of one of the following novels to read over the summer. This list reflects a variety of genres for middle school age students.

Parents: Preview your child's book choice prior to reading and discussing the right book as some of the titles deal with mature and/or controversial subject matter. A quick way to preview the subject matter is to read reviews from online sites such as Barnes & Noble, Common Sense Media, Amazon, or Goodreads.
