The primary goal of the District and its professional staff is to promote the personal growth of the students they serve. This common goal is supported by a personnel evaluation program that seeks to develop as competent a teaching staff as possible. Staff development is accomplished through evaluation used primarily to support the professional growth and improve the performance of teachers, and secondarily to make valid decisions related to assignments, retention, and termination.

Both the District and the Association have agreed upon the following provisions with respect to the purpose, management and implementation of Teacher Evaluation.

- A. **DEFINITIONS:** Each of the following definitions are used within the teacher evaluation process, but not all are required components of an individual teacher's evaluative process.
 - 1. **Informal Observation:** Any non-scheduled visit or observation by the evaluator to a classroom, instructional or performance activity. This may include a post-observation conference between the evaluator and the teacher. If the evaluator has a concern with any observation, then a post-observation conference shall be scheduled and completed within two weeks.
 - 2. **Formal Observation Process:** A predetermined procedure of observation consisting of either the District's individual observation process including a post conference with a scheduled observation, or the District's system of walk-through observations by an administrator that has been prescheduled at the request of the evaluator or the teacher. The post-observation conference will occur within fifteen (15) working days of the observation or series of observations.
 - 3. **Goal Setting Conference:** This conference is held so that the evaluator and teacher can discuss teacher goals and/or objectives, methods and materials to be used during instruction.
 - 4. **Pre-observation conference:** This conference is held so that the evaluator can be apprised of the teacher's objectives, methods and materials planned for the time to be observed.
 - 5. **Post-Observation Conferences:** These conferences are to provide feedback, identification of strengths and direction. The post-observation conference addressing areas of concern are to be documented by a written summary signed by the teacher and the evaluator.
 - 6. **Peer Observation:** The process of peer observation involves teachers that review instruction through classroom observation and examination of instructional methods, materials used and lesson design. The process of peer observation is considered a vital part of teacher improvement.
 - 7. **Written Evaluation:** A written summary of teacher performance based upon observations and the observation process used. The evaluation shall include all aspects of employee performance including what has been directly observed and/or what has been investigated and substantiated (see Section G below). This written summary shall be discussed with the teacher and signed by the

teacher and the evaluator with a copy to the teacher and a copy to the teacher's personnel file. This evaluation discussion may also serve as the post-observation conference for the final observation.

8. Evaluator: For evaluation purposes, each teacher will have a single administrator designated as the evaluator at any one time.
- B. Notification of Evaluation: Teachers will be advised during preschool meetings/workshops of the District's evaluation procedures. Except for substitutes, teachers joining staff after the commencement of the school year will be advised of the District's evaluation procedures by the building principal or designated evaluator.
- C. Evaluation of Non-tenure Teachers: At least two written evaluations (one each semester) shall be made for all non-tenure teachers each year. Each of these evaluations will include two classroom observations with at least one observation each semester to include the formal observation process, as defined above. The written evaluations must be submitted to the Superintendent prior to June 1 by the administration.
- D. Evaluation of Tenure Teachers: Tenured teachers will have a written evaluation and a minimum of one informal observation every year as established by the building principal.

Additionally, every other year a tenured teacher will be scheduled to use the selected formal observation(s) process (as defined in Section A above). The written evaluation must be submitted to the Superintendent prior to June 1 by the administration.

On a year when a tenured teacher may be assigned to use the peer observation process they will be required to observe two different teacher lessons or classrooms (unless required as per section G - Improvement of Professional Personnel) and are to share their observation with each teacher observed. As a part of the peer observation process they are to have a conference to discuss these observations with their building principal. Likewise, the written evaluation must be submitted to the Superintendent prior to June 1 by the administration.

- E. Evaluation Content: If the teacher believes the evaluation or a post-observation summary is incomplete or inaccurate, the teacher may submit any objections in writing, which shall be attached to the personnel file copy of the evaluation, provided such written objections are submitted to the Superintendent's Office within twenty working days after receipt of the evaluation by the teacher. It is management's right and responsibility to assess performance and therefore, the content of evaluations performed in accordance with the provisions of this Article are not grievable.
- F. All observations of teacher performance shall be conducted openly and within the full knowledge of the teacher. The use of eavesdropping, closed circuit television, public address or audio systems, and similar surveillance devices shall be strictly prohibited.
- G. Improvement of Professional Performance:
 1. Should deficiencies be observed in the performance of a teacher, the evaluator shall provide the teacher with specific, reasonable, written recommendations for improvement and with definite, positive assistance including time during the school day, material resources, and/or consultant services to implement the recommendations. The plan for the improvement of professional performance shall begin as soon as practical.
 2. When the teacher fails to meet the written recommendations for improvement and non-renewal is imminent, the teacher is entitled to representation.

ARTICLE XII

OTHER EMPLOYMENT

A teacher employee in District No. 1 shall take no other employment that interferes in any way with the job of teaching or assigned extra-curricular duties.

ARTICLE XIII

STUDENT DISCIPLINE

The Trustees are concerned with and committed to improving the student discipline policy and will continue to work cooperatively with the staff, students and parents to accomplish this purpose.

ARTICLE XIV

GRIEVANCE PROCEDURE

A. DEFINITIONS:

1. A grievance may be defined as a claim of violation, misinterpretation, or inequitable application of established district policies, statutes, or the terms of this negotiated agreement.
2. An aggrieved person is a person or a group of persons asserting a grievance. The Association may file a grievance only on the terms of the negotiated agreement.
3. A party in interest is a person or group of persons making the claim and any person who might be required to take action, or against whom action might be taken in order to resolve the claim.
4. Grievance arbitration shall be only on the terms of the negotiated agreement and be final and binding upon both parties.

B. PURPOSE: The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. PROCEDURE:

1. Since it is important that grievances be processed as rapidly as possible, the number of school days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the levels in this grievance procedure by the end of the school term, the Association and the Board shall mutually reduce the time limits set forth herein so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practical.
3. LEVEL ONE: A teacher with a grievance shall first discuss it with his/her principal or designated supervisor with the objective of resolving the matter informally within ten (10) school days of the occurrence of the alleged grievance. An aggrieved person has the right to be represented by the Association's designated representative at Levels One, Two, and Three. If the grievant desires the Association or other representative to represent him/her in their grievance, the grievant shall so stipulate, in writing, on the grievance submitted at Level Two.
4. LEVEL TWO: If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, he/she may file, by registered letter, the grievance with the District Superintendent within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. The decision reached at Level Two shall be issued in writing to the aggrieved person if not represented by the Association or to the Association and the aggrieved person no later

than ten (10) school days following the Level Two meeting.

5. LEVEL THREE: If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, he/she may, within five (5) school days after a decision by the Superintendent or within fifteen (15) school days after the grievance was delivered to the Superintendent, whichever is sooner, file by registered letter the grievance with the Board of Trustees.
6. Within ten (10) school days after receiving the grievance the Board of Trustees shall call a meeting with the aggrieved person and/or his/her representative for the purpose of resolving the grievance. Such resolution shall be in writing.
7. LEVEL FOUR: Grievance Arbitration
 - a. If the disposition of the grievance is not satisfactory, the grievance may be submitted before an impartial arbitrator. The Association shall give the Superintendent written notice of its intention to submit the issue(s) to arbitration within twenty (20) days of receipt of the Board's decision at Level Three or expiration of the time lines specified in Level Three.
 - b. Within ten (10) days after such notice of submission to arbitration, a request for a list of arbitrators may be made to the American Arbitration Association or Board of Personnel Appeals by the Board Chairman and the Association President.
 - c. Within five (5) days of receipt of the list each party shall alternately strike names from the list of arbitrators. The name remaining shall be the arbitrator.
 - d. The arbitrator shall consider the grievance and have all necessary authority to render a full and effective decision that shall be final and binding upon the parties. The arbitrator cannot modify the terms of the agreement.
 - e. Each party shall bear its own costs of arbitration except that the fees and charges of the arbitrator shall be shared equally by the parties.

D. RIGHTS OF TEACHERS: No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any building representative, any member of the P.R. & R. committee or any other participant in the grievance procedure by reason of such participation.

E. MISCELLANEOUS:

1. Forms for the submission and recording of formal grievances shall be readily available to all teachers through the Association. The decisions and appeals through all levels of the grievance procedure shall be recorded on these forms.
2. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.
3. No meetings or hearings at Levels One and Two, under this grievance procedure, shall be conducted in public. Such meetings and hearings at Levels One and Two shall include only the parties in interest and their designated or selected representatives, heretofore referred to in this policy.
4. Failure by the appropriate party to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the appropriate party may appeal it to the next level. This shall not negate the obligation of either party to respond in writing at each level of this procedure. Time limits provided herein may be extended by written mutual agreement by the parties at that step.
5. Should a grievant allege the same violation of contract to any outside authority the grievance should be deemed moot.

ARTICLE XV

PROFESSIONAL GROWTH AND CONDITIONS OF EMPLOYMENT

- A. The salary schedule will not reduce the salary for any teacher in the system below the salary being paid to the teacher at the time of the adoption of this schedule.
- B. The salary increments in the schedule represent increases that the teacher who demonstrates professional growth and development commensurate with his/her years of experience and training may expect.
- C. On or before September 1 of each year, the teacher shall provide written notice of credits earned to the Clerk of the School District. An official transcript must be received in the Clerk's office within sixty (60) calendar days after the teacher begins to perform his/her services.
- D. ADDITIONAL EDUCATION
1. POST-BACHELOR TRAINING: Additional training, up to the BA+30 level, will be recognized only if obtained in the candidates teaching field or Board approved field, if granted by an accredited college or university and submitted to the Superintendent. Teachers are strongly suggested to obtain written pre-approval from the Superintendent prior to taking specific additional course work or training for advancement purposes. A teacher who takes additional training or course work without obtaining pre-approval takes said course work at his or her own risk without guarantee of salary advancement. A teacher will be granted a hearing by the Board if another field is desired. This section applies only to credits earned after June 1, 1995.
 2. MASTER'S DEGREE: Training toward master's degree status will be recognized on the salary schedule only if obtained in the candidate's teaching field or Board-approved field and must be part of a university or college-approved planned master's degree program and submitted to the Superintendent by September 1. A teacher will be granted a hearing by the Board if another field is desired.
 3. POST-MASTER'S DEGREE STATUS: Additional training, either graduate or undergraduate course work, beyond a master's degree will be recognized only if obtained in the candidate's teaching field or Board-approved field and if granted by an accredited college or university. A teacher will be granted a hearing by the Board if another field is desired.
- E. All licensed personnel must earn sixty (60) renewal units every five (5) year renewal period. Class 2 and 4 certificate holders must earn at least forty (40) renewal units through college credit. Class one (1) and three (3) certificate holders may earn sixty (60) renewal units with or without college credit.
- Renewal units may be earned as follows:
- One renewal unit may be earned through one (1) hour of attendance at an approved professional development opportunity.
 - Two (2) renewal units may be earned through a one (1) hour presentation at an approved professional development opportunity.
 - Ten (10) renewal units may be earned with one (1) quarter college credit; fifteen (15) renewal units with one (1) semester college credit.
 - Renewal units must be earned and reported to the Office of Public Instruction and District Administration in five (5) unit amounts.
- F. Arrangements are to be made with the Superintendent and approved by the Board for credit to be given for travel and certain in-service programs. Allowance of credit is to be based upon classroom utilization and benefit to the children of School District #1.
- G. Previous Experience: Teachers will be given credit on the salary schedule for up to nine (9) years teaching experience (step 9 in the schedule below) in any school district accredited by a recognized accrediting agency.

- H. Should the teacher fail to meet the requirement as set forth in this Article, the salary increment for the ensuing year shall be withheld and no further increment shall be given until the requirement has been met.
- I. Should the salary increment be withheld for failure to meet the requirements, when the requirements are met, further progress on the salary schedule shall begin where increments were withheld and continue at the rate of one (1) step per year.
- J. As stated in an individual teacher's contract the district reserves the right to impose liquidated damages for the teacher being released.

NOTE: Maximum salary shall be interpreted to mean the last salary step in each preparation column as adopted for School District No. 1.

ADDENDUM

ARTICLE VI COLLECTIVE GAINING

- A. If the Association and the Board have mutually agreed by May of the contract year to enter into a collective gaining process with the express purpose of completing a proposed contract for a contract period following the 2019-2020 school year, this Article will replace the present Article VI, Reopening of Negotiations, Section A., B., C., and D. in their entirety for the next contract year.
- B. The collective gaining process guidelines have been established, including a contract proposal deadline of February 1.
- C. The collective gaining committee may request an extension of time to complete work on a contract proposal. The Board and the Association Executive Committee may grant any extension, especially in a legislative year.
- D. The full gaining committee will meet to review and agree on the intent of all language and changes to the negotiated agreement. Changes will be presented to the LEA and the Board of Trustees by the gaining team. Within one week of these presentations, either side may request one meeting of the gaining team to clarify any language changes made on the negotiated agreement to more accurately reflect the intent of the gaining team. No new issues may be brought forth. It is the sole responsibility of the gaining committee to accept or reject suggested clarifications of language. The final step will be voting on the negotiated contract by and LEA and Board of Trustees.
- E. If a proposed contract is not prepared within the time line or if the collective gaining committee has mutually agreed to dissolve the process, the Association shall notify the School District of their desire to return to the collective bargaining process. The Association and the Board agree to initiate negotiations within fifteen (15) days of such notification.
