## 3rd Quarter

### Planning for Monday, February 15:

As of Noon today, these are our LMHS numbers for Monday, February 15:

Total Students: 2117 (does NOT include the COMPASS Center nor Early Graduates)

Onsite Everyday (752), Hybrid (796), Online-Only (511), No Response (60)

12<sup>th</sup> Grade: Onsite Everyday (142), Hybrid (199), Online-Only (133), No Response (7)

11<sup>th</sup> Grade: Onsite Everyday (187), Hybrid (174), Online-Only (130), No Response (23)

10<sup>th</sup> Grade: Onsite Everyday (210), Hybrid (196), Online-Only (126), No Response (17)

9<sup>th</sup> Grade: Onsite Everyday (213), Hybrid (225), Online-Only (122), No Response (13)

At this time, our max. number of students in the building at any one time looks to be in the 1150 range. This will vary as we get the final 'No Response' declarations and because the Hybrid total does not split evenly by alphabet (A-K, L-Z). We are currently working to determine classrooms which may need to either be moved or bring in barriers to help in mitigation efforts. We will work to make needed adjustments so that classroom settings are safe for students and staff. Several factors (classroom size, class enrollment) will also play a role in making adjustments as necessary. We were hoping the max. number of students in the building each day would be less than 1200, which it currently is. We believe that we can make this work with some adjustments. If the number was closer to 1500, the task would have been much more challenging.

A few determinations have been made for all of 3<sup>rd</sup> Quarter at this time:

- The current daily schedule (used for 2<sup>nd</sup> Quarter) will be used for all of 3<sup>rd</sup> Quarter (with a high likelihood of 4<sup>th</sup> Quarter as well).** This maintains the two RTI sessions (11:30 a.m. and 3:30 p.m.).
- Campus Release (with parent approval) will continue during 3<sup>rd</sup> Quarter (with a high likelihood of 4<sup>th</sup> Quarter as well)** so that students only have to be on campus during class time. We anticipate this also helping minimize the number of students during lunch hour which makes social distancing easier to maintain.
- Current Parking will remain the same at this time.** While students may have to walk from further distances within the lot, maintaining campus release is expected to help allow campus parking for all students at this time. We will make changes to this if we find we have more vehicles to park than actual parking spaces.
- We will NOT distinguish if a student is in class in-person or in class and fully participating online the remainder of 3<sup>rd</sup> Quarter.** A student in person or online and fully participating will be counted as attending. Please note this and discuss with your student as we have been working to this point to notify parents if your student was participating online when we expected the student to be in person.

### Online-Only Student Course Material Pick-Up:

3<sup>rd</sup> Quarter Online-Only students may pick up course materials (as ready) in the 11<sup>th</sup>-12<sup>th</sup> Grades Office:

During the school day from 9:00 – 3:30 p.m.

***A reminder to students that RTI2 and RTI3 can be mandated by teacher request. If you are requested to RTI2 or RTI3 you are expected to attend the session for that given day. Students may also choose to attend any RTI session on any day.***

### Campus Release Reminders for 2<sup>nd</sup> Semester/3<sup>rd</sup> Quarter:

- 9<sup>th</sup>-10<sup>th</sup> Grade students with campus release may leave the building during periods/blocks with no scheduled class (schedule says "Campus Release"), RTI (if not requested), and during lunch.
- 9<sup>th</sup>-10<sup>th</sup> Grade students who choose to stay during your Campus Release period must report to the Learning Center (cannot be in the commons areas). 9<sup>th</sup>-10<sup>th</sup> Grade students who are not requested by a teacher yet choose to stay for RTI (always encouraged) must report to your 2nd block/4th period class for the morning RTI session and to your 4th block/8th period class for the afternoon RTI session.
- 9<sup>th</sup>-10<sup>th</sup> Grade students choose to stay for lunch may only go to assigned lunch period. Students must then report to the 2<sup>nd</sup> block/4<sup>th</sup> period classroom or to the Learning Center opposite their lunch period.
