B. Athletics:

Beginning Tuesday, January 12th, 2021, all participants will receive an allotment of wristbands that they can hand out to their family and friends for attending the contest. These allotments will be based on the number of seats available in each venue divided by the total number of participants. Based on the size, some of our facilities may require us to have further restrictions (basketball in smaller gyms, swimming, bowling). These parameters will be communicated directly to those families involved.

- Two spectators per participant for the visiting teams will be allowed.
- When our fans attend away games there will be two spectators per participant allowed.

Our goal has always been to keep our students, staff and families safe throughout the season. We base our decisions on Linn County Public Health data and district data and guidelines.

We continue to be grateful that sports are being played and opportunities are being provided for our student-athletes! We will continue to do our best to keep that going! Thank you for your patience and support as we continue to navigate thru these times.
