2nd Quarter

Hybrid Schedule for 2nd Quarter

The School Board determined on Monday night that LMHS will continue with the Hybrid model through 2nd Quarter. You can use this link to the draft of the LMHS 2nd Quarter Hybrid Schedule:

[Linn-Mar High School Hybrid Daily Schedule for 2nd Quarter 2020-21](#)

A few adjustments have been made to the 2nd Quarter Hybrid Schedule. First, each period has been increased to 33 minutes, with blocks becoming 71 minutes. Second, the school day has been split into two sessions each followed by an RTI session. The morning session includes the first four periods/two blocks followed by a 30 minute RTI session. The afternoon session includes the last four periods/two blocks also followed by a 30 minute RTI session. The individual time provided by the RTI time has been lessened by one hour with the half hour after morning classes and again after the afternoon classes. Third, 'priority' designation has been made for Monday-Thursday RTI sessions, however, RTI is can be used for any class each day. If a teacher makes an RTI request on a day that class has 'priority' a student will report to that class for RTI. Also, if a teacher makes an RTI request on a non-'priority' day and the 'priority' class does not request a student, then the student will report to the requesting teacher. Fourth, we will open the building from 8:05-8:15 a.m. for a before school RTI and Quiet Study session each day. Students wanting to study individually in the commons areas may do so during this time. RTI is also available with all teachers in classrooms during this time. The building will then open for all classes at 8:35 a.m.

Study Table/Quiet Study will continue during the Lunch Hour for students who choose not or are not able to leave the building.

For most students during online class days, the amount of max. screen time during 2nd Quarter classes (minus RTI) will be between 4-4.5 hours. Currently, for 1st Quarter, most students have a max. screen time during classes (minus RTI) of 3.5-4 hours depending upon their class schedule. We do understand that students are doing a lot of
