Team Lafayette (6th) (Twitter [@NMSLafayette](https://twitter.com/NMSLafayette) Team Leader [Mrs. Hackman](#)) Team Lafayette teachers were pleased with the number of students who logged onto Schoology and completed the assignments. If you have not completed week 1 assignments, you have until noon on April 6th. Make sure to set aside time during your day to complete the assignments, so you don’t get behind. If you have any questions, please email your teacher.

Team Lehigh (6th) (Twitter [@NMSTeamLehigh](https://twitter.com/NMSTeamLehigh) Team Leader [Mrs. Oliver](#)) Hello Team Lehigh. First of all let us say that we miss you all and hope you are all healthy and well. As we complete the first official week of online school several things came to mind. This is a totally different kind of learning. That may be the subject morning message tomorrow. I have said all year that I can not learn for you. I can teach, but learning is your responsibility. That is never more true than now. You are going to have to look at assignments differently. Instead of viewing them as a task to be done, you are going to have to look at them as learning tools. With each one, you are going to have to ask yourself what do they want me to

learn from this and make it your responsibility to be sure you learn it. It brings to mind two of my other favorite sayings: 1) You only get out of something what you are willing to put in and 2) If you are going to take the time to do something, take the time to do it right otherwise you are just wasting your time. Ok then, you might have just gotten a preview of tomorrow's morning update. Enjoy!!

Team Moravian (6th) - (Twitter [@NMSTeam Moravian](#)/Facebook [@NMSTeamMoravian](#) Team Leader [Mrs. Roufakis](#)) Hello, Team Moravian. It has been great to hear from some of you. If you have not responded to the email you received, please do so. Continue to check Schoology for your new assignments and complete them before the due date. Email your teacher with any questions you have.

Team Kutztown (7th) (Twitter [@TeamKutztown](#) Team Leader [Mr. Hess](#)) Team Kutztown Teachers wish all of our students good health and happiness. It is great to see that so many students have checked in on Schoology and are completing the required assignments. Please email us on Schoology or through school district email if you need any clarification on your assignments. Please try to invest some time for your studies each day, and of course, do your best work.

ELA (Mr. Falteich and Mrs. Gomez) - Please review your TDA response comparing Yellow Fever to Covid 19. This is not simply a question that should be answered in a few sentences. Please write a complete response (a couple paragraphs), and be sure to include textual evidence to support your response. If you need to have your StudySync assignment "re-opened" to fix this assignment, please email your ELA teacher. Remember, one hour or so per week is not too much time to put into a quality English assignment. If you recall, we were putting in more than that each day with our block schedule. Be sure to check out Week #2's required ELA assignment on Schoology. Again, you will have one week to satisfactorily complete this assignment. **Bonus ELA (Falteich)** - Before our extended leave, we read "Harrison Bergeron" by Kurt Vonnegut Jr. We discussed Dystopian Literature and satire. Why not check Youtube for an appropriate satire and share the link with me on Schoology? Be sure to tell me in a sentence or two what the video clip is satirizing. (Do you remember when I showed you a 35 second clip of the Simpsons making fun of/satirizing the emphasis on standardized tests in school?) Have fun! **MATH (Van Woert)** - Make sure you are using ALL the resources given to you in the Weekly folder. Watch the videos THEY WILL HELP YOU. And of Course Email me with questions you have BEFORE you hand in your assignment. **Science (Mr. Pearson)** - Please make sure that you completed and **SUBMITTED THROUGH SCHOLOGY** the "Remote Learning Week #1 Assignments" by **Monday, April 6th at 12 noon**. This includes the required **LEAD assignment** that is posted to your Schoology class page. The "Remote Learning Week #2 Assignments" will be posted to Schoology and activated as of **Monday, April 6th at 9 AM** and are due the following **Monday, April 13th at 12 noon**. I will post in Schoology an announcement, as well as, a document with specific instructions on how to complete and submit the assignment. As always, keep checking Schoology and email regularly for updates and email me if you have any questions, problems, or just want to keep in touch. Stay safe and healthy!

Team Penn State (7th) (Twitter [@NMSPennState](#)/Facebook [@NMSTeamPennState](#)/ Instagram [pennstatenms](#) Team Leader [Mrs. Miller](#)) We are very proud of the many students who have completed assignments and checked in on Schoology. Parents and students, please continue to email us (through Schoology or district email) with any assignment that needs clarification. Use the habits learned in LEAD and budget your time for your coursework. We also enjoy getting emails from students and parents sharing how your family is doing. Reminder: All coursework for week one is to be submitted by noon on Monday, April 6.

Team East Stroudsburg (8th) (Twitter [@nmsteamesu](#) Team Leader [Mr. Amen](#) Instagram [@nmsteamesu8](#)) History students: I have posted two videos that are OPTIONAL, they are meant to bridge the gap in the chapters or topics that were not covered. The videos are short, and OPTIONAL. Crash course videos on Youtube are great review for various history topics, again OPTIONAL. ELA students should check Schoology Monday morning for your weekly Study Sync assignments. There will be more options for some background learning this week. As always, Mrs. Pogue and Mr. Danyi are available to answer any of your questions. And we both love hearing how all of you are doing. Mrs. Jarosz will be posting next week's assignment along with supplemental materials meant to *help you learn*. Any questions or trouble, PLEASE message her or email her for help. That's what we're here for.

Team Northampton (8th) (Twitter [@TeamSpartanNMS](#) Team Leader [Mrs. Hood](#)) In ELA classes (Hinkel and Wallach), we are posting 3 ELA StudySync assignments each Monday morning. Two are extension/enrichment activities and one is a mandatory and graded assignment. Please look on Schoology for complete updates and directions and email us with any

questions and/or concerns. We hope everyone is staying safe and healthy. Math students should check Schoology Monday morning for your weekly assignment. I have also posted an additional folder to help with the assignment with notes and formula sheets, video tutorials, practice worksheets (with answers) and additional Math XL and IXL sections (all optional).

Encore (All Grades):

From Mr. **Carlstrom**. Once again, go into Schoology to check for your assignment. Please don't hesitate to contact me with any questions. All questions are good ones.

Kocon&Burzynski:

Team PITT (Hoffman/Villani/Long/Weinert):

Art (Lund/Kozero) Check Schoology for your weekly assignment. Fun at-home projects!! Don't be afraid to challenge yourself with the Enrichment Extensions!!
