

Festus R-VI School District

2020 Benefits Guide

Benefit Basics

Who is Eligible and When?

If you are a Festus R-VI School District employee (working 30 or more hours per week) you and your eligible dependents may enroll in the benefits described in this guide. An eligible dependent is a lawful spouse and children to the age of 26. New Hires are eligible for benefits the first day of employment.

How to Enroll

In order to confirm your elections for the 2020-21 plan years, everyone must review current elections via your online enrollment system, Benefit Express. Login instructions are included in this guide. Please take a moment to review your current benefit elections for you and your covered dependents. This is also a good time for you to review your current demographic information to make sure we have your most recent address on file as well as update your beneficiary information.

When to Enroll

In order to secure or continue coverage, you must complete the online enrollment process between May 18, 2020 and May 25, 2020. Once the system is closed, you will not be able to make any changes unless you experience a qualifying event. **The benefits you elect now will be effective July 1, 2020 through June 30, 2021.** Our annual Open Enrollment is done in the Spring each year.

Qualifying Events

Unless you have a valid qualifying event, you cannot make changes to the benefits you elect until the next open enrollment period. Qualifying events include: marriage, divorce, legal separation, birth or adoption of a child, change in child's dependent status, death of spouse, child or other qualified dependent, commencement or termination of adoption proceedings, or change in spouse's benefits or employment status. Forms must be returned within 30 days of the qualifying event and your effective date will be the event date.

What's New for 2020

Medical Insurance

- Our Medical Insurance will remain with UnitedHealthcare (UHC).
- You will have three Medical plan options, including two Health Savings Accounts (HSA) to choose from. The Plan 4 and Plan 8 (HSA Options) do qualify as a high deductible health plan (HDHP).
- If you want to make contributions to your health savings account via payroll deduction, **you will need to re-enroll and elect your new contribution amount for the 2020-21 plan year.**
- For employee's electing the HSA plan option 4, the District will contribute \$222.35 a month to the HSA and for Plan 8, the District will contribute \$256.49 a month.
- You are eligible to sign up for a HSA if:
 - You are enrolled in a high deductible health plan (HDHP).
 - You are not enrolled in Medicare.
 - You are not eligible and actively utilizing VA medical or pharmacy benefits.
 - You are not a dependent on someone else's tax return.
 - You have no other health care coverage (such as being covered under your spouse's plan or other individual coverage). That also means you cannot be covered under a separate prescription drug plan.
- The PPO plan (Plan 6) can be selected with a HRA reimbursement account option. The account is managed by Benefit Express.
- **SCEC Wellness Program for 2020-2021 Plan Year**
 - The program is applicable to all eligible retirees, employees, and spouses covered under the UHC medical plan with an effective date prior to January 1, 2020.
 - Participants had from May 1, 2019 - April 30, 2020 to complete and return registration, consent and physical forms to WellWorks to avoid the \$50 surcharge per person effective July 1, 2020. However, in light of the COVID-19 pandemic, we understand there were challenges with getting appointments with doctors, and therefore, the \$50 a month premium penalty surcharge will be suspended for the 2020-2021 plan year.
- **New UHC Medical ID Cards will only be issued this year if you make a plan change or add dependent(s).** *If there are no changes, you may continue using your current card.*
- **Please note the group name on ID card reflects South Central Education Consortium.**
- **UHC Programs & Mobile Apps Include:**
 - The UnitedHealthcare Healthy Pregnancy Program - Helps facilitate needed support and care throughout your pregnancy. Go to myuhc.com for more information
 - Health4me app - You can easily access your health care information, view and share your health plan ID card, estimate costs, view and manage claims, etc. Please log in to myuhc.com for more information.

Great for when you don't feel well, or you have a sick child and don't want to leave the comfort of your home. You can see and talk to a doctor online, anytime! *Please log in to myuhc.com for more information and to get registered.* We suggest you go online ahead of time to register and fill out necessary information, i.e., credit card information.
