

Levine Middle College High School

CEEB: 342-526

About LMCHS

Levine Middle College High School (LMCHS) is a Cooperative Innovative High School consisting of 11th, 12th, and 13th grade students who complete their required high school graduation requirements while taking college courses for credit and at no cost. Seniors are able to choose between graduating from high school at the end of 12th grade or staying in high school for Grade 13, with the goal of earning an Associates Degree or Career Certification through CPCC. Students in Grade 13 have completed all high school graduation requirements and take all of their classes with CPCC. LMCHS students come from over 20 different high schools in Mecklenburg County and operate on a CMS Calendar that is consistent with the CPCC calendar. Our high school day is from 11:20-4:20. Students can take their college classes at any time that does not conflict with their required high school classes.

LMCHS is located on Central Piedmont Community College's Levine campus in Matthews, North Carolina. Enrollment is capped at 100 students per grade level. Entrance requirements are: credits earned in English I, English II, Math I, Math II, World History, Civics & Economics, Health & PE and Biology, and either a minimum 2.8 unweighted GPA or a minimum 2.5 unweighted GPA and demonstration of college readiness on RISE, PSAT, Pre-ACT, ACT or SAT assessments. Since our first year of operation in 2014, LMCHS has focused on creating a culture of high academic standards and high expectations for character, respect and integrity.

Teaching Staff

All staff members are properly licensed and are Highly Qualified.

100% of Staff Members believe that "my school implements a rigorous academic curriculum" (Insight Survey).

100% of Staff members agree that "There is a low tolerance for ineffective teaching at my school" (Insight Survey).

Curriculum

LMCHS is an honors-level middle college and offers only honors and AP courses to students. Students are expected to complete their required high school graduation requirements in honors and/or AP, and community college courses.

Courses Offered

AP: Calculus AB, Calculus BC, Environmental Science, U.S. History, English Language and Composition, English Literature and Composition and North Carolina Virtual Public Schools courses not offered at LMCHS

Honors: Math III, Pre-Calculus, English III, English IV, Chemistry, Earth and Environmental Science, American History I & II, Creative Writing, and Film & Literature

Extracurricular Activities Offered

LMCHS offers yearbook, National Honor Society, student government, academic internships, and various other student interest clubs. Students may also participate in the community college's extracurricular activities. Students are allowed to participate in athletics and marching band at their home schools.

High School Graduation Requirements

English – 4 units; Math – 4 units (Algebra I, Geometry, Algebra II, and 1 math unit above Algebra II); Science – 3 units (Biology, Earth/Environmental Science, Physical Science); Social Studies – 4 units (World History, Civics & Economics, American History 1 or American History 2 or AP US History, and a social studies elective); Health/PE – 1 unit; General electives – 8 units, including 2 levels of a foreign language for college-bound students.

Class Rank/GPA calculation

Quality points are assigned on the basis of A=4; B=3; C=2; D=1; F=0. The GPA is calculated by dividing the total quality points by the number of courses attempted. Credit and quality points are assigned at the conclusion of each semester. Class rank is according to descending weighted GPA. One half additional quality point is added for honors courses. One additional quality point is added for Advanced Placement courses and most transferable community college courses.

Grading Scale

A= 90-100; B = 80-89; C = 70-79; D = 60-69; F = Below 60

CMS uses numerical grades. CPCC grades are reported on a student's CMS transcript as follows: A= 95, B= 85, C= 75, D= 65, F= 55.

2019-20 Statistics

64% of AP students scored a 3 or higher on AP exams in 2021

98.5% of students scored a C or higher on Fall 2019 NC Final Exams

Scholarships Earned by Graduating Class of 2021: \$1,153,298

COVID-19 Information

Due to Covid-19, the spring semester of the 2019-2020 school year moved to remote education after March 13. Transcripts for the 2019-2020 school year may reflect grades denoted as WC19 or PC19 as directed by the NC State Department of Public Instruction. PC19 indicates the student passed and received credit for the course. WC19 indicates the

student withdrew from the course. The PC19 and WC19 grades do not impact GPA calculations.

The 2020-2021 school year was entirely remote instruction until February 2021, when students were given the option to stay remote or move to a hybrid schedule for the remainder of the year. The 2021-2022 school year has started with high school classes 100% in person. Most dual enrollment courses were taught virtually for the 2020-2021 school year, and either virtually or hybrid for the 2021-2022 school year.

Post-Secondary Institutions
