A close-up, low-angle shot of the bridge and pickups of a red electric guitar. The guitar is positioned on the left side of the frame, with its body extending towards the center. The bridge is a chrome-plated Fender-style bridge, and the pickups are also chrome-plated. The background is a soft, out-of-focus blue and white, suggesting a bright, airy environment. The overall mood is artistic and musical.

LUNCH

- Lunch is fun at Walt Morey and different from lunch in elementary school.
- All the 6th graders eat at the same time.
- You can sit where you want.
- It is okay to talk with your friends during lunch. Once you find a seat you need to stay there.

LUNCH/RECESS

- During lunch you have the option to go outside for recess.
- Kids play soccer, basketball, no tackle football, four square.

THE “POD”

- Each 6th grade classroom is connected to a central area called a “Pod.”
- There are four classrooms in each Pod. You can see two classroom doors in this picture.

USING YOUR LOCKER

- In Middle School, you keep your things in your locker.
- You cannot take your backpack to class. Take only your notebook and your books.
- To open your locker you use a combination. It is a sequence of numbers.
- You need to remember your combination, but if you forget it a teacher will help you.
- It is helpful to buy a combination lock and practice over the summer!

THE PLANNER

- It is very important to use your planner in middle school.
