FAQ

What is the procedure for students on Packets?

Paper-packet students will pick up their final exam from the front office, beginning Monday, May 24th. Exams are to be turned in on the day they are scheduled by 3:30 pm to the Front Office.

How do we handle cell phones?

We will provide zip lock bags for them to put their phones in to eliminate handling of devices.

If a student has been virtual the entire time, do they have to come in and test?

The only time they have to come in to test is if the test is required by the state. Otherwise, they will remain at home to take exam.

Can the exam be given using paper and pencil?

No. All exams will be taken virtually (except students on packets).

Will the students be allowed to leave after the exam?

Yes. The entire class must be completed and a form must be on file with parent permission.

All seniors must complete all exams by May 24th.

What about bus riders?

Students remaining on campus after their State exam is completed will remain in that class, i.e. after 1st block EOCs, the student will remain in the 1st period class for the remainder of the day, unless they are checking out.

How will we take attendance?

On off days, i.e. 2nd, 3rd, 4th periods on Monday, teachers will post a brief assignment for Attendance purposes. Make it a fun activity, review work, etc. This pattern will be in place for the remainder of the week.
