

NORTHWEST JACKSON IB MIDDLE SCHOOL

Presents

The Essence of Africa

The coronation ceremony of

King Marlon D'Angelo Williams
and
Queen Regan Renae Gale

Thursday, The Twentieth Day of October
Two-Thousand Twenty Two
Nine-Thirty in the Morning
Northwest Gymnasium

Message from the King and Queen

To our fearless and highly respected Head Learners, Mr. Kevin L Culver and Ms. Lysandra Webster, faculty, staff, student body, special guests, family and friends, it is our honor to welcome you to "The Essence of Africa." This year marks the fifth annual coronation for Northwest Jackson IB Middle School since its establishment in 1988. Our theme is indicative of the brilliant and vivid perspective of diverse experiences gained at our worldly institution of learning and journey to new relationships and future successful endeavors that awaits us.

To our fellow classmates, the Mighty Wolverines, we want to thank you for placing your confidence in our leadership ability to serve you and be ambassadors for our great institute. It is our pledge that we will represent Northwest with the utmost respect, honor, and loyalty while always exemplifying the IB Learner profiles: balance, risk takers, principled, thinker, caring, open-minded, knowledgeable, reflective, communicator and inquirer. It is our duty and responsibility as leaders to evoke change and positivity among the student body while building relationships within our community and abroad.

To the community, local businesses, organizations and friends, we extend thanks for your sponsorship and continued support to bring this vision to fruition. The citizens of Jackson are the backbone of our community and assist with the upbringing of young scholars such as ourselves.

To Mrs. LaKeisha Holmes and the Coronation Committee, we give a deep heartfelt thanks for envisioning such an amazing event that gave us a platform to showcase our capabilities as leaders and foster new relationships among our peers. You encouraged us to be better than great. Your tireless days and nights did not go unnoticed. The magnitude of the unwavering support from this committee will never be forgotten.

Lastly, but certainly not least, our amazing, nurturing and zealous parents, there is not enough gratitude for your immeasurable devotion. You have given us strength when we were tired, faith when we lost hope, and courage when we were afraid. Our dear Father in Heaven truly blessed us with angels on Earth, protecting and loving us unconditionally. We hope we have made you proud and this is just the beginning of "our splendor!"

Sincerely,

Regan Gale and Marlon Williams
