

Warren Consolidated Schools Return to Learn and Continuity of Services Plan 2022-2023

Warren Consolidated Schools will continue to prioritize full, in-person teaching and learning which provides the greatest benefit to students. Ensuring that this can happen both consistently and safely during the upcoming school year, the 2022-2023 Return to Learn Plan provides detailed guidance to ensure that COVID-19 prevention and mitigation measures are implemented in a way that fosters optimal learning environments while simultaneously ensuring the health and safety for students and staff in Macomb County. This plan developed by Warren Consolidated Schools and supported by guidance from the Macomb County Health Department (MCHD) to ensure that our school district has a detailed a plan for a successful and safe return to school and learning environment.

Please Note: This plan may change and evolve as knowledge changes surrounding current and potential variants or if the risks of severe disease, hospitalizations, or death increase. The plan may also need to vary based on in-school COVID-19 activity and outbreaks. If such changes are necessary, transition time may be needed to allow the district or building to adjust mitigation strategies. Periodically, but not more than every six months during the life of the grant, the plan will be reviewed, and updates will be completed, if deemed necessary.

[MDHHS Readiness, Response, Recovery Cycle CDC Community Levels Mi Safe Start Map](#)

The CDC will determine the COVID-19 community level for the county. Based on the community COVID-19 level, in consultation with the MCHD, the District will determine the number of mitigation strategies to implement to foster optimal learning environments while simultaneously ensuring the health and safety of students and staff.

The district will comply with any and all local, state, and federal mandates/orders.

The following plan outlines measures for the CDC COVID-19 Community Levels of low, medium, and high.
The levels do not apply in situations of COVID-19 outbreaks in schools, classrooms, or athletics.

LOW

MEDIUM

HIGH

Recommended Prevention/Mitigation Strategies:

LOW MEDIUM HIGH		
Instructional Format		
In-person instruction will occur.	In-person instruction will occur.	In-person instruction will occur, but some classes, grades, or buildings may be moved temporarily to remote instruction if required by the health department due to outbreaks and to control in-school spread.
Athletics		
Athletic practices and competitions will be permitted. MHSAA guidelines will be followed.	Athletic practices and competitions will be permitted. MHSAA guidelines will be followed.	Athletic practices and competitions will be permitted, and additional health and safety protocols as deemed appropriate may be put into place. MHSAA guidelines will be followed.
<i>Athletic testing will not be required unless mandated by the MHSAA or a local or state agency and/or a sanctioning body.</i>
