Mangham Junior High Principal's Message

Welcome to the 2022-2023 school year! I am very excited to serve all of you as your principal. Mangham has a legacy of excellent schools and a supportive community, and we have much to be thankful for to be a part of that legacy. To continue that success, we need your help, leadership, and support as parents, students, and community members. This document is provided to every student and his or her parent to provide an understanding of the daily conduct of school at Mangham Junior High and how we will work together to be successful. If there are any items that need to be explained in greater detail, please come to the school or let me (or any faculty member) know. I would only ask that you report to the office first so we will know you are here and a welcome visitor.

Students, I want you to be proud of yourself and MJH. I want you to be confident, self-motivated learners that advocate for your own success. I want you to report to school and to each class with all the needed materials, dressed in the proper manner, and prepared for class. Being on time is very important and is a strong attribute of good self-discipline. My hope is that you not only learn your curriculum at MJH, but you learn how to become responsible citizens, future leaders, and life-long learners.

I encourage all students to participate in MJH activities. That participation will make school more enjoyable and add to your success as a student. Our faculty strives to help each of you realize your potential and empower you to excel both academically and socially. These activities promote the development of social skills such as empathy, tolerance, and respect while emphasizing self-discipline, motivation, and responsibility.

*Parents, we hope that you will be very involved in your child's education and be a part of the many activities scheduled throughout this school year. Please take note of the opportunities to join in your child's education. We have a parent resource center with items for checkout to assist you in helping your child succeed. You are a vital part of our school's success whether it is through helping your child with homework or supporting them in their learning and extracurricular activities. **We ask that you review this handbook and have you and your student sign the Student/Parent Signature forms in your student packet and return it to school.** Your signature will indicate that you have received and reviewed this handbook with your child and understand all of the policies and procedures.*

As a faculty, we are dedicated to having a well disciplined student body and hold all to the high standards of teaching and learning. With these high academic and social standards, and positive support from parents, guardians, and community members, I know that we will see our "Dragons Reaching Academic Goals, Obtaining New Successes!". Again, I look forward to serving you as your principal, and I hope that you will join us in making this school year a success!

*Beth Gregorie, Principal
Mangham Junior High School*

Philosophy of Mangham Junior High

The Mangham Junior High faculty and staff believe that the primary purpose of education is to provide for the maximum growth and development of every child in order that each student might become a useful citizen. Academic, physical, social, emotional, and moral phases of growth and development can be regarded separately but are not independent.

Education is both a right and a responsibility in our democratic society and all children should be offered equal educational opportunities. Responsibility is therefore placed upon children and families to take full advantage of this opportunity without interfering with others striving to succeed.

The following statements support this philosophy and provide a clear vision and direction for students and parents.

- *Provide quality instruction to each student*
- *Curriculum with its budgetary constraints for each student is the responsibility of the school*
- *All students can learn and reach individual acceptable standards designed for their needs and abilities*
- *All programs and services should complement and support the curriculum to maximize student success*
- *Adequate personnel, facilities, equipment, materials and services should be furnished by the school*
- *The community is a critical part of education and information must be provided to insure support*
- *Continual evaluation of the school programs for teachers and students is key to improvement*
- *Motivation must come from the students and their families*
- *Teachers create and maintain a learning environment*

Mangham Junior High School Student Code of Conduct

Students at Mangham Junior High School are entitled to a safe and secure environment. Students also have individual rights and can expect to have those rights protected. That is the reason we have rules for the safe and orderly conduct of our students. The faculty and staff are charged with making our students aware of proper conduct as part of the learning environment. Under state law, students are accountable to the faculty and staff during school, and at any time students are under the supervision of the school. When faculty or staff properly corrects students they are expected, under the law, to obey immediately and completely.

Mangham Junior High Arrival and Departure Time

Adult supervision is not available prior to the unloading of the first bus. Students shall not be on campus before 7:15 AM. Mangham Junior High School begins the school day promptly at 7:35 AM. Students are expected to be off campus by 3:15 PM. Students involved in extracurricular activities or tutoring shall be required to have a parent/guardian pick them up within a reasonable time after activity has concluded. Parents need to make every effort to make

arrangements with their child prior to coming to school on how they are to get home each afternoon. Mangham Junior High will not take the responsibility of delivering a message to a child that is called in by a parent for a change of plans. We will make every effort to give the child the message, but often circumstances do not allow us to leave the office to give a student the message.

Tardiness

Being punctual is important to the good order and discipline of any school. Mangham Junior High School students are expected to report to class on time. If students do not have the self-discipline to accomplish reporting in a timely fashion, they are considered tardy. In order to create the best learning environment, teachers expect students to report to class on time and with proper materials. If a student does not have the necessary discipline to bring the proper materials to class, they will have to get those materials. Because those students have to take extra time to be in class they will be considered tardy.

Tardiness is a violation of the Student Code of Conduct and will be dealt with accordingly. Students being out of class and unsupervised will result in other problems for the school and other violations of the Student Code of Conduct. Teachers will record tardies and report them daily to the office.

Mangham Junior High School's consequence for excessive tardies is as follows:

3 tardies: Office warning/parent letter

4 tardies: Friday detention

5 tardies: Student is reported to truancy officer

More than 5 tardies may result in more detention or suspension

At the end of the semester, the student's tardy record is cleared.

End of Day Dismissal

All students riding the bus will exit out the north back door. All cars and walkers will report to flagpole in front of the building. Students being picked up in a vehicle must have parents pick them up in the circle drive. The gymnasium parking lot and the highway are off limits. Walkers will leave campus once all cars have left the circle drive.

Check Out and Early Dismissal

Please avoid early checkout as much as possible except in the case of an emergency or appointment. When possible, medical or dental appointments should be made after school or on Fridays. The parent, or authorized person, must report to the office and sign the student out. **No one under the age of 18 will be allowed to check out a child unless they have written permission signed by the parent.** Excessive early checkouts will be reported to the truancy officer and/or the FINS (Families in Need of Services) officer.

Seat Time Recovery (STR)

*Seat Time Recovery (STR) is offered for those students who are failing due to excessive absences. Louisiana requires students to attend school for a certain number of days to be promoted to the next grade and earn credit for a course. Students must be present a minimum of eighty-one (81) days each eighty-six (86) day semester or one hundred sixty-one (161) days of the one hundred seventy-one (171) day school year to be eligible to receive credit for courses taken. To successfully obtain ½ Carnegie credit, a student must not miss more than 5 days per semester. **Our goal is to ensure students graduate with their cohort!***

Please do not wait until the end of the year to try to clear up absences. Richland Parish Policy States: “All excuses for a student’s absence must be presented within five (5) school days of the student’s return to school or the absence shall be considered unexcused and the student is not allowed to make up work.” Students and parents will be notified and receive a letter if they are in jeopardy of failing due to attendance.

*Seat Time Recovery will be offered once a month. The student is responsible for transportation to and from Seat Time Recovery. Students should arrive on time and are required to remain for the entire time they are assigned. It is the student’s responsibility to bring enough academic work to keep him/her occupied for the duration of each session. **The use of cell phones and other electronic devices are not permitted.** In order for a student to recover one (1) day of absence, they must attend one session of seat time recovery.*

The STR staff will have the right to dismiss a student at any time when deemed necessary due to lack of materials, behavioral problems, etc. Upon dismissal, no STR hours will be made up for that day.

Though we are in a technological age, cell phones provide many distractions from the learning environment. In an effort to maximize student engagement and minimize distractions, MJH will enforce the following daily protocol:

- As students enter the building, they will turn their electronic devices (including cell phones and smart watches) off or on silent and place them in a holder labeled with their class section and name.
- All devices will be placed in a locked room until the end of the school day, when they will be returned to their owners.
- Students that check in late or check out early will drop off and pick up their devices in the front office.
- Nothing will prohibit the use and operation of electronic devices in the event of an emergency. *Emergency* shall mean an actual or imminent threat to public health or safety which may result in loss of life, injury, or property damage.

Mangham Junior High will follow the Richland Parish guidelines for cell phone misuse. (JCDAE)

If a student is found to be using an unauthorized electronic device on a school campus or during instructional school hours of operation:

First Offense: Device shall be taken from the student. Student will be fined \$5.00 for the first offense. The phone may be retained until the fine is paid.

If a student refuses to release the phone to a teacher or administrator, they may be subject to suspension or other disciplinary action.

Mangham Junior High School Master Plan for Discipline

Positive Behavior Support

In order to assure classroom management using positive behavioral supports and effective disciplinary tools, Mangham Junior High School will identify data-driven academic, career and technical, discipline/behavioral performance results in the School Improvement Plan (SIP). Mangham Junior High School will establish and use a school-based leadership team to meet on a regularly scheduled basis to review data and guide the positive behavior process. This leadership team shall, to the extent possible, include representatives of the school administration, both regular and special education teachers, parents, guidance counselors, and school bus operators (It may also include other groups, e.g., food services workers).

The leadership team will use a decision-making process utilizing a data-management system that allows graphical representation of discipline issues. Said data system will permit regular and efficient monitoring and evaluation of the effectiveness of the implementation of a school-wide system of discipline. School data collection shall include, but not be limited to, average referrals per day per month, referrals by problem behavior, referrals by location, referrals by time, referrals by student, referrals by staff, individual student report by month and by year, and referrals by grade level. Environmental changes may be made as indicated by data. For instance, increased monitoring, schedule changes, or changes in recess structure may help to alleviate congestion or over- crowding at certain times during the day.

The team will uniformly use the two BESE-approved forms, i.e., “School Behavior Report Form” and “School Bus Behavior Report Form,” to report incidents of alleged discipline violations. The referral system will be utilized consistently and appropriately.

The leadership team will review and revise any Zero Tolerance Policy of Mangham Junior High School to ensure that the policy is in compliance with R. S. 17:416.15; the policy does not violate R. S. 17:416 (H) which prohibits disciplinary action against any pupil reasonably acting in self-defense; and that inappropriate referrals are not made to agencies serving children.

The leadership team will review and revise its policies and procedures for handling suspensions and expulsions at Mangham Junior High School to ensure that suspension/expulsion policies are consistent with R. S. 17.416; suspension/expulsion policies are consistently and fairly executed; and alternative interventions, consistent with best theory and practice, to suspensions/expulsions are used including, but not limited to, counseling, conflict resolution, social and family responsibility, peer mediation, and stress and/or anger management.

The leadership team will make referrals, as appropriate, to Alternative Education Programs that are designed to offer variations of traditional instructional programs, as well as strategies for the purpose of increasing the likelihood that students who are unmotivated or unsuccessful in traditional programs, or are disruptive in the traditional school environment, remain in and be successful in school.

The leadership team will review the current Code of Student Conduct of Mangham Junior High School to assure that it is in compliance with R.S.17:416.12, R.S. 17:416.13 and Section 4114 of the No Child Left Behind Act of 2001 (NCLB). They will refine consequences to create a reward/incentive program for positive student and teacher behavior and ensure the delivery of consistent reinforcement. The team will define consequences for rule violations that are clear, reasonable, and consistently enforced and which support maximum time in instruction. The leadership team will monitor, evaluate, and modify the school master plan as needed throughout the school year.

STUDENTS WITH A JPAMS OFFICE REFERRAL WILL NOT BE ALLOWED TO A DANCE OR FIELD TRIP. STUDENTS WITH EXCESSIVE UNEXCUSED ABSENCES WILL NOT BE ALLOWED TO ATTEND DANCES OR FIELD TRIPS.

The transfer of such records, whether by mail or otherwise, shall occur no later than 10 business days from the date of receipt of the written request. If the student has been expelled, the transferred records shall include the dates of the expulsion and the reason(s) for which the student was expelled.

No education record of any student may be withheld as a result of lack of payment of any fine, debt, or other outstanding obligation.

[For schools/programs housing children in state custody: It is the duty of the principals, superintendents, or heads of the training and correctional schools to notify the visiting teachers, or supervisors of child welfare and attendance, and FINS officer (if applicable) when a child is to be released and/or returned to a parish.]

Visiting teachers, or supervisors of child welfare and attendance (pursuant to R. S. 17:235), and FINS officers, shall cooperate fully with the state department of social services, labor, and health and hospitals, and with other state and local agencies, including interchange of confidential and privileged information; cooperate fully with juvenile and family court authorities, training and correctional schools, law enforcement officers; and make such referrals and conduct such investigations as seem necessary for the enforcement of school attendance laws, including interchange of confidential and privileged information.

Statements of Compliance

Each homeroom teacher of students in grades 4-12 shall, on the first day of school each school year, provide information to and answer any questions from students relative to the statement of compliance as provided by Mangham Junior High School.

Each parent/guardian of each student in grades 4-12 shall sign a statement of compliance committing to do all of the following: ensure that his child attends school daily, except for school absences; ensure that his child arrives at school on time each day; ensure that his child completes all required homework assignments; and attend all required parent and teacher or parent and principal conferences.

Visitors to Schools

Parents and others are welcomed and encouraged to visit schools at appropriate times. Special programs and visiting days may be planned throughout each school year to provide opportunities for such visits. All visitors must report to the principal's office immediately upon coming onto school grounds. They must sign in and out, indicate the purpose of the visit, and wear a visitor's badge issued to them. Principals are responsible for establishing procedures within their schools that will ensure the proper protection of instructional time and the welfare of students and staff. Principals are authorized to take the necessary steps in dealing with unauthorized visitors.

School Telephone Use

Students may use school telephones for emergencies in between classes or during lunch recess. Students will not be called out of class to receive a phone call. A message will be taken and the student may return the phone call at lunch recess or afternoon recess.

Emergency Procedures

Special drill activities are planned by the principal and faculty of each school to ensure the orderly movement/evacuation of students and staff to the safest area, in the event of an emergency. Students and staff are informed of escape routes. A map is displayed in each room specifying the routes and procedures for evacuating the building.

The board authorizes the superintendent/designee to close any and all schools when prevailing or potential hazards threaten the safety and well-being of students, staff, or school property. Announcements and news releases to the media concerning such closing(s) are made by the superintendent/designee. The Richland Parish School Board provides a comprehensive plan for evacuation of schools in the event of a disaster. In cooperation with the local police and fire departments, 911 Call Center, and the Richland Office of Emergency Preparedness, the plan includes all centers and schools located in Richland Parish. All principals and center directors are responsible for informing their teachers and staff of the details and procedures of the evacuation plans. A map and details of the evacuation plan are kept in the office of the principal and/or center director, and a copy is given to the law enforcement officer that arrives for the escort of the evacuation.

Pep Rallies

Pep Rallies will be held on designated days agreed on by administration. The purpose of such a gathering is to encourage school spirit and to support members of the team for which the rally is being thrown. Attending a pep rally is a privilege. Therefore, students who do not conform to such behavior may not be allowed to attend.

Homework Requests

Most assignments are available through the Google Classroom platform. Parents requesting hard copies of homework for students who are ill should contact the office before 8:30 AM. Those assignments will be available to pick up by 12:00 that same day.

Library Service

Students are encouraged to use the library as much as possible. From time to time it may be desirable for a student to visit the library during class time to do research. Students will **ONLY** come with a teacher or written permission from the office. Students may only check out two books for up to two weeks at a time. After four weeks a fine of \$2.00 per book will be assessed. Books will be turned into the library box which only library personnel will be allowed to unlock. Students are responsible for loss/damage that may occur while books are checked out. This includes tearing out the barcodes or stickers inside/outside the book. All previous fees (or current fees) must be paid or the student may be restricted from activities until these fees have been cleared. Failure to follow the rules may result in loss of library privileges. The library will be open on a daily basis.

I promise to listen and give it my sincerest consideration, however that does not mean I will always agree with you. I want the best for your cheerleader, the squad, and as their sponsor; I want them to look and perform their best as well. Please remember that decisions are made for the squad as a whole and so while you may not like or agree with my decision it is being made in the best interest of the entire squad.

Thanks,

Kristy Williams

Character

Leadership: Each squad member should be aware of the commitment and responsibilities she has to MHS and to the squad. This is a position of responsibility and representation that should not be taken lightly. While it is great to be involved in many different things, being involved in too many extracurricular activities is not wise if it causes a scheduling conflict. Squad member must "prioritize" their activities in order to be able to perform their best.

Attitude: The sponsor has the right to take the necessary disciplinary actions for poor attitude (kicks, suspension, or removal from the squad). Each member should be willing to cooperate with her officers and sponsor at all times. We are elected and assigned for a purpose, and our actions should reflect the squad's best interests. Any non-Snapdragon related problem between members must be forgotten at practice time. Each member should realize that the manner in which they conduct themselves while representing the school directly reflects on the entire school itself. This includes reputation, classroom conduct, dress code, etc. Lady-like behavior will be represented in and out of uniform. The following will not be tolerated in a public-place: cursing, drinking, smoking, and display of affection towards boyfriends. Snapdragons still represent their school and their squad in and out of uniform.

Managers:

Our managers are the backbone of the squad. They are the sponsor's right hand, left hand and brain. They will be treated as equals on this squad. They are not here to serve you or answer to your every whim. They are here to help the squad run as smoothly as possible. There will be consequences (kicks, suspension or removal from line) if these girls are not given the respect they deserve.

Duties of Officers

No food or drinks, except water, are allowed in the section until after the performance.

Cell Phones

During practices and performances, cell phones must be turned off and in a purse or bag. If a parent needs to get in touch with a member, please use the sponsor's cell phone number (381-1247). Upon approval, Snapdragons will be able to make any important phone calls from the sponsor's phone. Full attention needs to be on what is going on at practice and games. Cell phones are a big distraction.

Practice

Attendance for all scheduled practice sessions is required for all squad members. Because squad members have chosen to make a commitment to the team, they must try to make this their first extracurricular priority. Please refrain from scheduling routine appointments during practice times.

Parental Involvement

All parents are asked to acknowledge Snapdragon policies. Please keep open communication with the sponsor, especially if any problems arise. This organization is intended to be a positive experience for its members; however, there are numerous stressful periods during a performance week and high expectations for each member. Parents are expected to keep that in mind. Being a Snapdragon requires very hard work, dedication, and a lot of responsibility. Snapdragon members look to their parents, friends and sponsor for motivation and moral support during the year.

Payments

All payments are to be sent on time and must be paid off by the start camp date. It is understood that there are circumstances when a parent needs a little more time to pay the balance. This needs to be arranged with the sponsor. Nevertheless, payments should be sent on a regular basis until the balance is zero. If a member decides to withdraw from the team, she is responsible for paying off her bill (what she has received). Bills will be adjusted if there is an item that has not been ordered when a member decides to quit. This is at the discretion of the director. NO REFUNDS will be given as a result of a member withdrawing from the team, whether it is on her own choice or by violating the constitution.

We will be fundraising but nothing is definite on the type of fundraiser or how much you will make off of it.

If a member stills owes a balance by the time we go to camp, she will no longer be a member of the team and will still be required to pay the remaining balance.

Parents will be informed about the school's Title I program, the requirements of the program for school and parents, the school family engagement policy, the school-parent compact, and the school's planned family engagement activities. Parents will be surveyed to determine whether parent engagement needs are being met effectively and appropriately through the implementation of the parent and family engagement programs. Parents will be given the option to complete the survey via paper copy or electronically. The results of these surveys will be used to develop strategies for school improvement and to revise the district and school Parent and Family Engagement Policies. This compact will outline how the entire school staff, parents, and students will share the responsibility for improved student academic achievement. The compact will describe not only the school's responsibility in providing high quality instruction and curriculum, but the student and parent responsibilities for meeting and supporting the learning processes. The compact will address how parents have reasonable access to staff, receive frequent reports on their progress, and have the opportunity to volunteer and observe in the classroom.

Meetings are held four times each year where parents and staff can review the school's improvement plan, parental involvement policies, and parent nights.
