

SES OWLS

"All Students Soaring to New Academic Heights Together"

Student Handbook

2022-2023

Arrival at Start Elementary School

School begins at 7:35. For those students who ride car load, we ask that they arrive at school no earlier than 7:15. Duty teachers will be at their stations at 7:15. Students are not to be on campus before 7:00. Students not adhering to this will be subject to consequences as in loss of privileges or detention. Students will go to eat breakfast when the 7:15 bell rings. Students not eating breakfast will move to their designated classroom. The only excused tardy is a medical note. Students must report to the office when arriving after 7:35am.

Dismissal at Start Elementary School

School will dismiss at 3:20. Students who are to be picked up in cars will wait in rear of the Jr. High building (by new gym). All other students are to board their busses as soon as possible. Students are not to loiter in the bus area. No student should be on the school campus after dismissal unless under the direct supervision of a faculty member or coach. Bus load changes are not made unless it is a permanent change. Transportation changes are made by parent note and not by phone calls to the office.

Early Dismissal at Start Elementary School

A request to have a student excused from class early should be sent with the student the morning of the dismissal. The time and reason for leaving should be included. When possible, medical or dental appointments should be made after school. The parent, or authorized person, must report to the office and sign the student out. The child will be summoned to the office via the intercom. **Please do not go directly to the classrooms.** This may be disruptive to the learning environment. Please avoid early checkout except in the case of an emergency.

Carload Pickup/Drop off at Start Elementary School

Students who ride in cars will be dropped off and picked up in the rear of the Jr. High building (by the new gym). The line to drop off and pick up students in the morning and afternoon should extend down Owl Loop to avoid backing cars up on Highway 80 or Charleston Drive. Parents in cars should enter Owl Loop from Highway 80 (by the water tower) to form the line for pick up. Parents should not enter from Charleston Drive and cut in front of other parents that have been waiting in line. Drivers must remain in their vehicles and in the car line and have their car tags in the window to identify the student(s) they will be picking up. No parents are allowed to park in the church parking lot, pull in the front (bus) parking lot, or let children out on the road or in teacher parking lots. No children will be allowed to walk through parking lots to get to cars. Remember that school does not dismiss until 3:20. No student is excused from school before this time without a doctor's excuse. We strongly discourage any checkouts at the end of the school day. We do believe that any inconvenience this policy may cause is worth it for the safety of our students and the community. In order to facilitate the car pickup and ensure the safety of the large numbers we have in the car pickup line, we will have NO talking so that students can be watching for their cars and listening for their names. If students are caught talking in the pickup line, they will be moved to a room inside the building with a teacher. You will then be asked to park in the middle and wait until car load is finished to come in and pick them up. I know this seems drastic, but when they are listening we can load four cars quickly and keep the line moving so that no one has to stand out in the weather very long. You can also choose to put your child on the bus load that passes by your house.

Start Elementary School Master Plan for Discipline

Positive Behavior Support

In order to assure classroom management using positive behavioral supports and effective disciplinary tools, Start Elementary School will identify data-driven academic, career and technical, discipline/behavioral performance results in the School Improvement Plan (SIP). Start Elementary School will establish and use a school-based leadership team to meet on a regularly scheduled basis to review data and guide the positive behavior process. This leadership team shall, to the extent possible, include representatives of the school administration, both regular and special education teachers, parents, guidance counselors, and school bus operators. (It may also include other groups, e.g., food services workers).

The leadership team will use a decision-making process utilizing a data-management system that allows graphical representation of discipline issues. Said data system will permit regular and efficient monitoring and evaluation of the effectiveness of the implementation of a school-wide system of discipline. School data collection shall include, but not be limited to, average referrals per day per month, referrals by problem behavior, referrals by location, referrals by time, referrals by student, referrals by staff, individual student report by month and by year, and referrals by grade level. Environmental changes may be made as indicated by data. For instance, increased monitoring, schedule changes, or changes in recess structure may help to alleviate congestion or over-crowding at certain times during the day.

The team will uniformly use the two BESE-approved forms, i.e., "School Behavior Report Form" and "School Bus Behavior Report Form," to report incidents of alleged discipline violations. The referral system will be utilized consistently and appropriately.

The leadership team will review and revise any Zero Tolerance Policy of Start Elementary School to ensure that the policy is in compliance with R. S. 17:416 (H) which prohibits disciplinary action against any pupil reasonably acting in self-defense; and that inappropriate referrals are not made to agencies serving children.

The leadership team will review and revise its policies and procedures for handling suspensions and expulsions at Start Elementary School to ensure that suspension/expulsion policies are consistent with R. S. 17:416; suspension/expulsion policies are consistently and fairly executed; and alternative interventions, consistent with best theory and practice, to suspensions/expulsions are used including, but not be limited to counseling, conflict resolution, social and family responsibility, peer mediation, and stress and/or anger management.

The leadership team will make referrals, as appropriate, to Alternative Education Programs that are designed to offer variations of traditional instructional programs, as well as strategies for the purpose of increasing the likelihood that students who are unmotivated or unsuccessful in traditional programs, or are disruptive in the traditional school environment, remain in and be successful in school.

The leadership team will review the current Code of Student Conduct of Start Elementary School to assure that it is in compliance with R.S. 17:416.12, R.S. 17:416.13 and ESSA (Every Student Succeeds Act). They will refine consequences to create a reward/incentives program for positive student and teacher behavior and ensure the delivery of consistent reinforcement. The team will define consequences for rule violations that are clear, reasonable, and consistently enforced and which support maximum time in instruction. The leadership team will monitor, evaluate and modify the school master plan, as needed, through the school year.

Start Elementary School adopts the following clearly defined behavioral expectations in these four basic expectations. (Keep them simple and positive).

Only positive attitudes allowed

Work and move quietly and safely

Let us keep hands, feet, and objects to ourselves Show respect for others at ALL times

These expectations shall be posted in prominent places around the school site, e.g., hallways, cafeterias, gymnasiums, and classrooms. These expectations shall be provided to parents and shall be known by all students and school staff.

Each teacher at Start Elementary School shall develop lesson plans and teach expectations across each school setting by providing direct instruction on expected behaviors at the beginning of the school year and reinforced throughout the year for all students.

Start Elementary School implements several positive behavioral supports school-wide, as well as individual teachers in the classroom. Some classroom supports include, but are not limited to, free homework passes, treasure boxes, field trips/parties, etc. for those students who follow classroom discipline. Some school-wide supports include, but are not limited to, honor roll ice cream each six weeks, student of the month (submitted by each homeroom), Owl Bag drawing each six weeks for students exhibiting outstanding character and discipline, etc. A school-wide “fun day” will be held once a semester for those students with no office referrals or corporal punishment.

Start Elementary School shall design programs for students with special needs so that the students are challenged and engaged in school curriculum, and are appropriately placed so they remain in school rather than being suspended/expelled or becoming drop-outs.

The principal of Start Elementary School shall submit annual reports to the district’s Discipline Policy Review Committee.

School-Wide Discipline

Every student at Start Elementary is entitled to a safe school environment in which to grow and learn. We believe all students can behave appropriately while at school. We will allow no student to stop a teacher from teaching or prevent other students from learning. Each classroom establishes rules, rewards, and consequences. There are also guidelines for out of class conduct, in the halls, restrooms, cafeteria, and playground. The choice of behavior is the student’s. Students who display inappropriate behavior will be subject to disciplinary action, and could eventually lead to suspension or expulsion from school. An after school detention will be held. The Assistant Principal will designate the day from 3:15 – 3:45. Parents must pick up students and sign them out of after-school detention.

Revised 8-9-18

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Richland Parish Title 1 believes that it is the system's responsibility to assist schools in coordinating and implementing programs for and with parents that will address the needs of students, parents, families, communities, and the school.

How can you get involved?

- Join the Parental Action Committee. Meetings are held four times each year where parents and staff can review the school's improvement plan, family engagement policies, and parent nights.
- Attend our annual Back to School Night. At this meeting, you can find out about the requirements of the Title 1, Part A program. An explanation of this policy is also included in the school's handbook.
- Attend our parent nights twice each semester to learn about the school's goals and objectives for our students, the various curricula and assessments used by the school, the Louisiana State Student standards, and the LEAP 2025 state assessments.
- Parents can offer suggestions and participate, as appropriate, in decisions about the education of their child at any time. These suggestions can be made through the teacher or office.

"Soaring to Success" Family Nights

You, as a parent of a student at SES, have the opportunity to learn about our school through the

"Soaring to success!" Program

Twice each semester, SES will host a family event that will provide parents with the opportunity to gain a better understanding of the curriculum, the state standards, their child's progress, school and state assessments, learn curricula "How To's" presented by knowledgeable teachers, and students.

We will have a great time set aside for learning and fellowship!
